

Dear Colleagues,

The second diet of Membership in General Dentistry (MGD) by examination and Credit Accumulation and Transfer (CAT) will be launched in summer 2012. It has been five years since the establishment of the MGD and so far the College of Dental Surgery of Hong Kong (CDSHK) has admitted 82 MGD members.

The second diet of MGD by examination (not applicable to MGD by CAT) will be a conjoint examination between CDSHK and Royal Australasian College of Dental Surgeons (RACDS). The Hong Kong Dental Association (HKDA) will be the program administrator.

An introductory lecture will be held on 22 April 2012 to explain details of the training program, the MGD-MRACDS conjoint examination, and the MGD by CAT diet (applicable to candidates with other postgraduate qualifications).

If you are interested in the MGD program, you are cordially invited to the following lecture.
