REQUIREMENTS FOR TRAINING

Candidates who have passed Part I or have been exempted there from, and have completed a minimum period of three years full-time or part-time equivalent spent in appropriate approved posts, courses and programmes of training are eligible to enter Part II of the examination. Candidates are required to provide evidence of having undertaken such approved training in Oral and Maxillofacial Surgery or of attendance as a postgraduate student on an approved training programme or course.

Candidates for Part II of the Examination must have passed, or have exemption from Part I of the Examination. Award of the Membership in Oral and Maxillofacial Surgery RCSEd is dependant on evidence that the candidate will have completed a period of three years full time (or part time equivalent) in appropriate approved posts, courses and programmes of training. Candidates may, however, enter themselves for examination after two and a half years (or part time equivalent). The training should preferably be continuous but in some cases breaks in training may be permitted. The total training period should not normally exceed six years.

TO BE COMPLETED BY CANDIDATE
