*(Deadline of application was extended to **30 September 2024**)*

We are pleased to inform you that our College is going to offer the course “Membership in General Dentistry – Training and Mentorship Programme 2024 – 2026” and the deadline of enrollment is extended to **30 September 2024** (Monday)! We are most grateful if you could promogate this course to general dental practitioners, who will certainly be benefited from the advanced knowledge and skills that it offers.

It has now come to the seventeenth year since the establishment of the Membership in General Dentistry (MGD) of The College of Dental Surgeons of Hong Kong (CDSHK). Up to January 2024, the College has admitted 190 MGD members in total. In the Fifth diet of the MGD (2021-2023), 6 colleagues were admitted as MGD and MRACDS(GDP) via Conjoint Examination with the Royal Australasian College of Dental Surgeons. All participants gained a lot from the well-structured education programmes covering various competencies.

The Sixth diet (2024-2026) will soon commence in December 2024. We believe that this course will be a valuable addition to their profile and help them achieve their personal and professional goals. Please find enclosed the application form for your reference.
