## PRESIDENT'S REPORT

First of all I would like to thank all councilors and committee members for their devoted work to fulfill the tasks and goals for our College. I also thank all fellows for their support, as well as Ms Ada Houn, the College Executive Secretary, for her dedicated service.

During the past year the College has arranged examinations in various dental specialties adding new fellows to our ranks, strengthening the specialist service provided to the community. The specialty examinations comprise both an intermediate examination run conjointly with the Royal College of Surgeon of Edinburgh, and an exit examination. This year the College is holding conjoint examinations together with RCSEd in Oral and Maxillo-facial Surgery, Orthodontics, Prosthodontics and Endodontics, the two latter 'new' specialties are holding the examinations for the first time. However, the examination procedures in some specialties still remain to be fully implemented, and this expected to take places next year. By-law 16 allows for the admission of fellows to the College and the Academy after fulfilling the remedial training and exit assessment, but those people who are in this category and the respective specialty boards have to be reminded that this option will expire at the end of December 2004.

This year the College has arranged its usual three Scientific Meetings and courses which all seemed to have been attractive and popular among members of the dental community. Those meeting which were held in the beautiful premises of the Hong Kong Academy of Medicine Building give the community convenient access to quality – non commercial – programs comprising lectures given by a mixture of colleagues from the various dental disciplines who were invited from overseas and the region. The meetings have also served as a forum for our own colleagues to reach out with their messages to the dental community. The recent Scientific Meeting with Professor Claus Lang, from Switzerland as the speaker, was held as conjoint function with the Dental Faculty to mark its 20<sup>th</sup> Anniversary, and attracted well over 200 participants.

The third and final Scientific Meeting of this year will be a full day meeting which will be held on Sunday November 17, in Hong Kong Academy of Medicine Building. The theme will be: "Implants – A Versatile Aid to Quality Care in Dentistry". This symposium will be on implants as well on alternative treatment options. Two of the speakers, Professor

Brånemark, from Sweden and Professor Fan (Endodontics), from China have also been invited to become honorary fellows of the College (see below). The other overseas speaker will be Dr Isaksson (Oral Maxillofacial Surgery), from Sweden and Dr Sugawara (Orthodontics), from Japan. The three local speakers will be Professor Anne McMillan, Dr T W Chow and Dr Alex Chan. The day before the Scientific Meeting, that is on Saturday November 16, the College hosts its annual dinner for fellows, their spouses and friends, and invited guests at the Hong Kong Country Club. The inauguration of honorary fellows will take place at this event. Do not miss this event, which in addition to a gourmet dinner will feature a Philippino dance band.

During the week before the upcoming Scientific Meeting, on Wednesday November 13 the College is organizing jointly with HKDA a full-day continuing education course to be held in Lecture Theatre I at Prince Philip Dental Hospital. There will be two reputable international speakers Professor Athanasios, from Greece (Orthodontics) and Associate Professor Isaksson (Oral Maxillofacial Surgery), from Sweden.

The College is still working together with representatives from HKAM, to further develop the training pathways for general dental practitioners, possibly leading to recognition as a specialty.

Unfortunately, despite the mutual efforts by the President of the HKDA Dr John Ling, the Chairman of the Dental Council of Hong Kong Dr Jeffrey Tsang, the President of the HKAM Dr C H Leong, Hon Dr Lo and myself the Dental Ordinance has still not been changed. I feel responsible persons in the HKSAR administration as well as Legco have not made any visible efforts to deal with this issue, which is long overdue. It is understandable that those bodies have to assign priorities, but to postpone this important issue which was prepared years ago, can only be considered as neglected, and a lack of respect for our profession and our patients.

Trainees of all specialties are reminded that they are required to register with the College to get recognized and to enjoy the specific privileges offered to trainees.

Finally, next year is the 10<sup>th</sup> Anniversary of the College (and the Academy), which our Council has decided to mark and to celebrate by arranging a four day (October 31 to

November 3, 2003) international congress on “Evidence Based Advanced Dentistry”. The Chairman of the Organizing Committee is Dr Michael Tsui and the Secretary is Dr T C Wong. You have all received the first announcement via the mail. The success of this event depending on everyone of us, so please give your support by participating together with your staff in this event. Please inform your friends and colleagues outside Hong Kong about this event (for this purpose come extra flyers have been enclosed with this report – if you need more flyers please contact Ms Houn on phone (852) 2871 8866, fax (852) 2873 6731 or e-mail [cdshk@hkam.org.hk](mailto:cdshk@hkam.org.hk) and Ms Houn will mail additional flyers to you). If you attend a professional meeting outside Hong Kong please take some flyers with you and promote our meeting, making it to a real success... if you have contacts with the trade please ask them to contact the CDSHK secretariat. Thank you for your kind cooperation and support.

I wish all fellows, members and the College a successful year to come. It has indeed been a privilege to have served you during the past year.

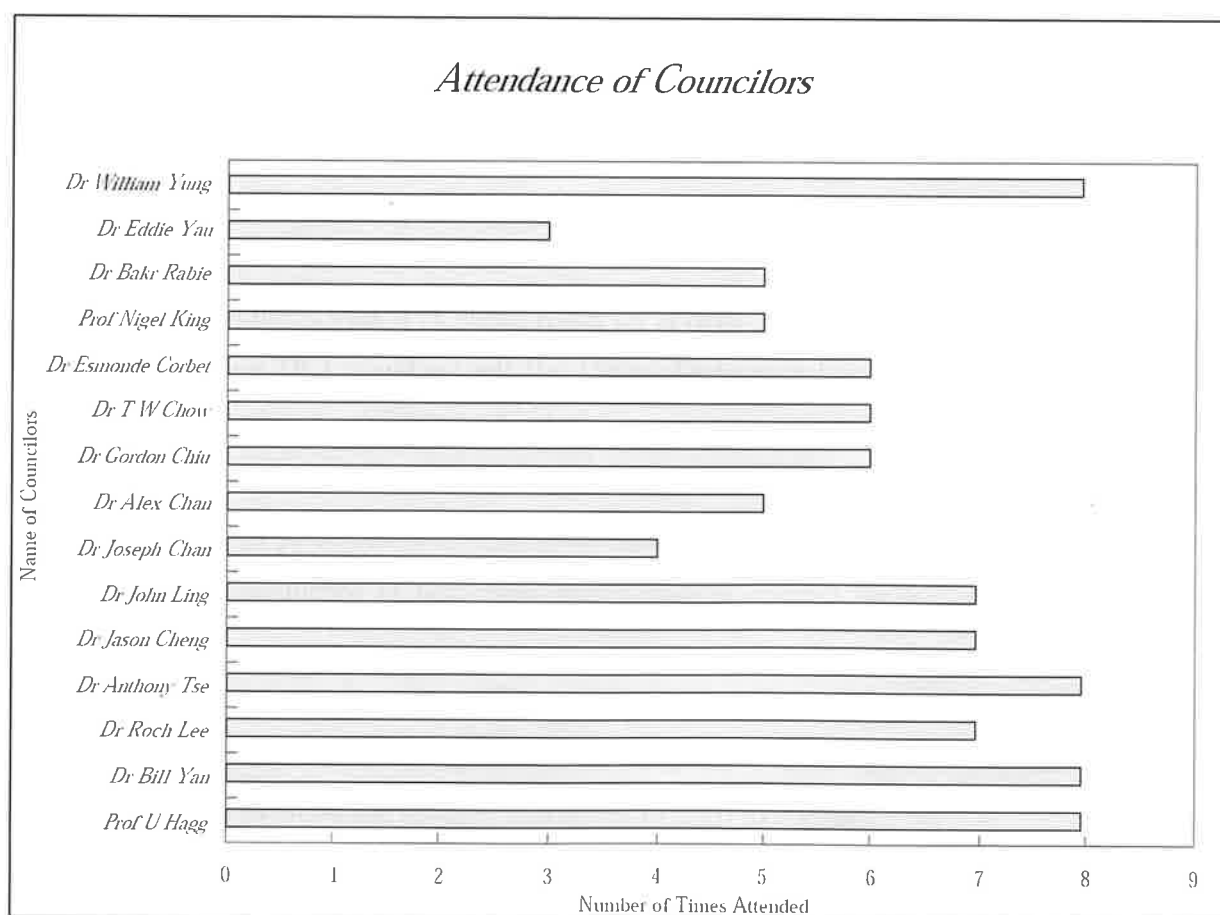

Urban Hägg  
President

## REPORT OF THE COUNCIL & COMMITTEES

### Council

The College Council consists of 15 Councilors and it held a total of eight meetings from December 2001 to October 2002.

President	Professor HÄGG Urban
1 <sup>st</sup> Vice-President	Dr YAN Bill S W
2 <sup>nd</sup> Vice-President	Dr LEE Roch K H
Honorary Secretary	Dr TSE Anthony S K
Honorary Treasurer	Dr CHENG Jason C F
Censor-in-chief	Dr LING John Y K
Councilors	Dr CHAN Joseph C Y
	Dr CHAN Alex W K
	Dr CHIU Gordon K C
	Dr CHOW T W
	Dr CORBET Esmonde
	Professor KING Nigel
	Dr RABIE Bakr
	Dr YAU Eddie C K
	Dr YUNG William C W

## **EDUCATION & EXAMINATIONS COMMITTEE**

Chairman: Dr Bill S W YAN (Specialty Board in OMS)  
Secretary: Dr T W CHOW (Sub-committee for GDP)  
Members: Dr Roch K H LEE (CME Sub-committee)  
Dr John Y K LING (Specialty Board in Orthodontics)  
Dr Joseph C Y CHAN (Specialty Board in Paediatric Dentistry)  
Dr William C W YUNG (Specialty Board in Prosthodontics)  
Dr Gordon K C CHIU (Specialty Board in Periodontology)  
Dr Gary S P CHEUNG (Specialty Board in Endodontics)

- ☆ The Committee met on 31 January, 2 May, 25 July and 10 October during the year to receive reports from the various Specialty Boards and Committees;
- ☆ The lists of Fellows, supervisor/trainers and trainees of each specialty have been updated;
- ☆ The College planned to establish a new specialty in Family Dentistry. The training pathway for this new specialty has been drafted for consultation with the Academy. More discussions would be required
- ☆ Negotiation was carrying out for a conjoint MFGDP examination with the Faculty of General Dental Practitioners, Royal College of Surgeons of England. The Council met the Dean of the Faculty, Dr R RajaRayan during his visit to Hong Kong together with representatives of the Hong Kong Dental Association and the Faculty of Dentistry, HKU. Both Colleges decided that a conjoint examination would be the best way forward and went ahead with the preparation of a Memorandum of Understanding. It is expected that a conjoint Part II MFGDP examination could be held next year.
- ☆ The respective specialty board and committee would report their activities separately.

Dr Bill Yan  
Chairman  
Education Committee

## **1 Specialty Board in Oral & Maxillofacial Surgery**

Chairman: Dr Bill S W YAN  
Secretary: Dr Eddie C K YAU  
Members: Dr K K CHAU  
Prof L K CHEUNG  
Dr Roch K H LEE  
Dr N SAMMAN

- ☆ The Inaugural diet of the Exit Examination was held on 12<sup>th</sup> & 16<sup>th</sup> November, 2001 with Prof H Tideman at the helm. The Examiners were Prof L K Cheung, Dr Roch K H Lee & Dr N Samman. A total of 3 candidates participated. Dr Albert C F Leung & Dr Peter C Y To were the successful candidates. They were admitted subsequently by the College & Academy as Fellows.
- ☆ The third diet of the Conjoint Intermediate and the second diet of Exit Examinations are scheduled to be held on 12-15 November, 02. Two candidates from Singapore and Philippine add an international flair to our Conjoint Intermediate Examination this year.

Dr Bill S W YAN  
Chairman

## **2 Specialty Board in Paediatric Dentistry**

The following were highlights of our activities during the year 2001-2002:

- ☆ The third Conjoint Examination in Paediatric Dentistry with the Royal College of Surgeons of Edinburgh was held in October 2001. There were two candidates sitting for the Part I examination and there were eight candidates sitting for the part II examination. Both candidates were successful in the Part I examination and six candidates were successful in the part II examination.
- ☆ The Specialty Board conducted its first Exit Examination in January 2002. One candidate sat and passed the examination.
- ☆ The Specialty Board is planning for the fourth Conjoint Examination in Paediatric Dentistry with the Royal College of Surgeons of Edinburgh in November 2003.

Dr Joseph Chan  
Chairman

### 3 Specialty Board in Orthodontics

During the year 2001-2002 the specialty board in orthodontics arrange the following activities and examinations:

- ☆ The Conjoint Membership Examination in Orthodontics with our sister college The Royal College of Surgeons of Edinburgh will be held from 14<sup>th</sup> – 16<sup>th</sup> November 2002 (Part 2). We anticipated 17 candidates from the Asian-Pacific region namely China, Japan, Hong Kong, Taiwan and Thailand.
- ☆ Exit examination in orthodontics will be held on 14<sup>th</sup> November 2002 for one candidate.
- ☆ The specialty board has requested all trainees to complete their registration with the board and to take appropriate examinations and clinical training. At present, two candidates were registered and undergoing training in the Higher Training and five candidates were registered in the Basic Training programme in orthodontics.
- ☆ Conjoint Section A and B MOrth RCSEd/Intermediate FCDSHK examination in Orthodontics has been scheduled in November 2003.

Dr John Ling  
Chairman

### 4 Specialty Board in Endodontics

#### ☆ Membership

The Specialty Board in Endodontics was inaugurated in February 2001 and has decided that its membership will hold a term of office for two years. Trainers will serve on a one-year term, but there has been no proposal for change since their appointment. Below are the current memberships of the Board.

Chairman: Dr CHEUNG Gary S P  
Hon Secretary: Dr CASTELLUCCI Carlo  
Members: Dr CHAN Alex W K  
Dr LAM Wiley T C  
Dr LEUNG Siu-fai (HKES President, invited)

Supervisor of training: Dr CHEUNG Gary S P  
Trainers: All members on the Specialty Board

Accredited training centre in Endodontics: Discipline of Conservative Dentistry  
Faculty of Dentistry (3/F, PPDH)

Number of trainees: 5 (as of the date of this report)

☆ Meetings

Since its inception in early 2001, the Specialty Board in Endodontics has held four (4) meetings:

February 1, 2001  
June 6, 2001  
February 21, 2002  
August 9, 2002

and many more correspondences via the Internet among members of the Board.

Items that were discussed included:

- (a) appointment of trainers and supervisor of training
- (b) list of fellows in the specialty of endodontics
- (c) arrangements for exit assessment and intermediate (Conjoint MRD RCSEd) examinations
- (d) the changing "requirement" by the Dental Council on practitioners on the specialist register
- (e) co-organization of the Spring Scientific Meeting of CDSHK in May 2003 with the Specialty Board in Periodontology

☆ Examinations

No examination was held in the year of 2001. The first intermediate examination in the specialty (Conjoint MRD RCSEd) is going to be held in November 2002 and there is one candidate sitting for that.

An exit assessment (for an existing fellow) has been planned in May 2003.

Dr Gary Cheung  
Chairman

## 5 Specialty Board in Prosthodontics

- ☆ The Specialty Board of Prosthodontics convened its first meeting on 22 February 2001 consisted of the following members:

Chairman	Dr YUNG Ching Wah, William
Hon Secretary	Dr CHUNG Wai Chung, Robin
Supervisor	Dr CHOW Tak Wah
Chief Examiner	Professor MCMILLAN A
Members	Dr KEI Lee Hoi
	Dr DIAS Andrew

- ☆ Dr John Dyson was invited as the representative of the Specialist Society, namely, the

Hong Kong Prosthetic Dentistry Society.

- ☆ The Education Committee was invited to send out appointment letters to the bona-fide trainers in the specialty.
- ☆ Fellows of the CDSHK were invited to join the specialty, the list of admitted fellows up to now is as follows,

Dr Yung Ching Wah, William  
Dr Chung Wai Chung, Robin  
Dr Chow Tak Wah  
Professor A McMillan  
Dr Kei Lee Hoi  
Dr Andrew Dias  
Dr P Newsome  
Dr Richard Wai Nin Chan  
Dr John Kirkwood  
Dr John Chai  
Dr Yeung Kai Yuen  
Dr Lau Chi Kai, George  
Dr Cheung Ning Hoi  
Dr Leung Tat Ming

- ☆ The regulations and requirements for the Exit examination to the FCDSHK(Prosthodontics) were confirmed and sent out to the potential fellows. The higher trainees who were qualified for the Exit examination are:

Dr Au Yeung Kim Hung  
Dr Daniel Fang  
Dr Katherine Leung  
Dr Edmond Pow  
Dr Patrick Wu  
Dr Yeung Ka Chun

Dr Frederick Chu passed his MRD examination and was accepted as a higher trainee.

- ☆ Conjoint Examination between the MRD of the Royal College of Surgeons of Edinburgh (RCSEd) and the Intermediate Examination of the Prosthodontics Fellow was established. The College has also received the reply from the RCDSEd that candidates with MDS from HK could be exempted from Part I of the Specialty Membership Diploma in Restorative Dentistry. Letters were sent to all past MDS candidates to inform them about the exemption from Part I MRD examination.

- ☆ At the time of writing this report, the specialty has 7 higher trainees, 1 intermediate trainee and no junior trainee. The Specialty will be holding its first diet of the Intermediate Examination in November 2002 and the Exit Examination in the early 2003.

Dr William Yung  
Chairman

## **6 Specialty Board in Periodontology**

- ☆ Since Periodontology is recognized as a specialty in our College (2001), the Specialty Board in Periodontology has endorsed 10 of our fellows as FCDSHK (Periodontology).
- ☆ Currently we still have three trainees under By-law 16, they will have to take an exit assessment upon completion of their "remedial" training prior to admission.
- ☆ Under the guidance of our Supervisor of training, Dr E F Corbet, a total of 5 trainees are having Basic Training. Two of them have finished the Advanced Diploma in Periodontology course and are eligible to have the Intermediate Examination.
- ☆ Together with the specialties in Endodontics and Prosthodontics, we have finalized the arrangement with the Royal College of Surgeons of Edinburgh to run a Conjoint CDSHK/MRD (RCS Ed) Examination in Hong Kong. This is the Intermediate Examination for the specialist training pathway in Periodontology. Two of our trainees are expected to take the Examination in November 2003.

Dr Gordon K C Chiu  
Chairman

## **7 Board of General Dental Practice**

Life-long continuing professional developments and education for General Dental Practitioners are becoming more complex. The volunteer Continuing Professional Education program introduced this year will eventually become mandatory for the practicing dentists in Hong Kong SAR. The pivotal role of the College in providing training and guidance for GDPs is all the more obvious and important.

To meet this increasing demand, the Subcommittee for Education and Examination of General Dental Practitioner reinforced its commitments and was renamed Board of General Dental Practice in June 2002 to reflect more fully the scope and activities that it conducts.

## ☆ **Conjoint Membership in General Dental Surgery**

The 2001 diet of the Conjoint Membership in General Dental Surgery Examination with the College of Surgeons of Edinburgh concluded with a high pass rate with three of the four candidates being successful in the Part II examination in November. This brings the total number of MGDS RCS(*Ed*) holders in Hong Kong SAR to 23. The mentorship scheme that provides support to the candidates has again proved to be successful.

## ☆ **Training Pathway**

The Board and its Task Force worked tirelessly in constructing a Vocational Training Pathway of Family Dentistry. With the approval of the Council of The College of Dental Surgeons of Hong Kong, the recommendations will soon be submitted to the Hong Kong Academy of Medicine for the establishment of the subspecialty of Family Dentistry within The College of Dental Surgeons of Hong Kong.

## ☆ **Continuing Education Courses**

Members of the Task Force have also immersed themselves in organizing continuing education courses for both MGDS candidates and general dental practitioners. An innovative series of lectures and hands-on courses was designed, and included topics ranging from infection control, emergency management and clinical dentistry. All were well attended and received.

## ☆ **Practice Guidelines**

The Task Force members have also started constructing the Foundation of Good Practice guidelines that includes clinical audit, quality assurance and clinical governance.

## ☆ **Post-MGDS Activities**

- i) **Practice-based Research:** The PEER clinical research group successfully conducted an evaluation of an innovative composite resin. The results were published in the April 2002 issue of the journal of *Primary Dental Care* entitled *Research in General Dental Practice: evaluation of the clinical use of a new composite system by general dental practitioners*.
- ii) **Journal Club:** A group of MGDS holders regularly holds regular meeting in the evenings to exchange views and knowledge of the latest advances in dentistry.
- iii) **Hospital Dentistry:** An opportunity arose whereby MGDS holders may attend regional hospitals, with the support of the Hospital Authority of Hong Kong, to gain experience in Hospital Dentistry and Special Needs Dentistry.

## ☆ Website

2002 also saw the establishment of the official Hong Kong MGDS website:  
[www.mgdshk.com](http://www.mgdshk.com)

The smooth running of this unique website ensures the quick and accurate dissemination of information about the MGDS examinations and activities. It is intended the website will also facilitate knowledge acquisition such as e-learning, and to serve as a forum for constructive discussion.

Dr TW Chow  
Chairman

## 8 Continuing Medical Education Committee

### 1. A change of name:

The previously known CME Subcommittee has been renamed as CME Committee, approved by the College's Council. The change was deemed reasonable and essential because of the diversity and nature of works involved, and has long been independent from the Education Committee.

### 2. Composition of the current CME Committee:

The following Fellows of our College are currently members of the CME Committee:

Name of Fellow	Post
Dr. K.H. LEE	Chairman
Dr. Bill S.W. YAN	Ex-officio Member
Dr. CHOW Tak Kun	Member
Dr. Kenneth HUI	Hon. Secretary
Dr. LEUNG Tat Ming	Member
Dr. ZEE Kwan Yat	Member

Dr Leung Tat Ming was our new Committee member who was nominated to, and appointed by the College Council, for a 2-year term commencing April 2002. With the current composition of members, we have confidence that our Committee could further improve the quality of service for all our Fellows.

While on the subject of service, we were indeed in debt to Dr Alec Tam, who served our Committee for the past two terms (4 years). He resigned from our Committee because he himself has other commitments; yet he still agreed to serve our Committee as an advisor should we encounter difficulty in assessing meetings associated with Orthodontics. His unfailing contributions in various matters relating to CME should be acknowledged and appreciated.

3. CME activities in the year 2002:

Up to October 15, 2002, our CME Committee has pre-approved, endorsed and accredited a total of **314** scientific meetings, both locally and overseas.

4. CME Cycles:

Since early 2001, our Committee has taken the liberty to classify Fellows into “batches”, according to their respective period of CME cycle.

4.1 Batch 1 - CME Cycle from 01.01.2000 to 31.12.2002

A total of 100 Fellows are currently in this batch; all of them are in their third year of the second 3-year CME cycle. The following table is a summary of their CME scores:

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
90 or above	52	52%
60 to 89	18	18%
30 to 59	11	11%
1 to 29	13	13%
0	6	6%
Total	100	100%

Since all of them are in their final year of the second 3-year CME cycle, so reminders would be sent to those who fell short of 90 points.

4.2 Batch 2 - CME Cycle from 01.01.2001 to 31.12.2003:

A total of 9 Fellows are now in this batch; all of them are in their second year of the second 3-year CME cycle. Together with the CME scores from the only one Fellow in batch 6 (second year of the first CME cycle), their CME scores can be illustrated in the following table:

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
60 or above	3	30%
30 to 59	3	30%
1 to 29	3	30%
0	1	10%
Total	10	100%

4.3 Batch 3 - CME cycle from 01.07.2001 to 30.6.2004:

A total of 12 Fellows fall within this batch. They are currently in their second year of the second 3-year CME cycle. The following table is a summary of their CME scores:

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
60 or above	3	30%
30 to 59	6	50%
1 to 29	1	8.33%
0	2	13.66%
Total	12	100%

#### 4.4 Batch 4 - CME Cycle from 1.1.2002 to 31.12.2004:

A total of 24 Fellows fall within this batch. They have finished their first 3-year CME cycle on December 31, 2001. All of them have obtained 90 CME credits or more and have met with the CME requirement by Hong Kong Academy of Medicine. Their CME achievements have been reported to the Education Committee of our College Council accordingly.

Currently they are in their first year of the second CME cycle. The following table is a summary of their CME activities so far:

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
30 or above	2	8.33%
1 to 29	16	66.66%
0	6	25%
Total	24	100%

#### 4.5 Batch 5 - CME Cycle from 1.1.2000 to 31.12.2002

4 Fellows belong to this batch; they are in the third year of the first 3-year CME cycle. Their CME scores so far can be summarised in the following table :

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
90 or above	1	25%
60 to 89	1	25%
30 to 59	2	50%
1 to 29	0	0
0	0	0
Total	4	100%

Since all of them are in their final year of the second 3-year CME cycle, so reminders would be sent to those who fell short of 90 points.

#### 4.6 Batch 6 - CME Cycle from 01.07.2001 to 30.06.2004

Since only one Fellow falls onto this batch and currently in his/her second year of the first CME cycle. As his/her CME scores can easily be identified, so such CME scores are merged onto that in paragraph 4.2 above.

#### 4.7 Batch 7 – CME Cycle from 1.1.2002 to 31.12.2004

A total of 6 Fellow belongs to this batch. They are currently in their first year of the first CME cycle, their CME scores so far can be shown in the following table:

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
30 or above	0	0
1 to 29	5	83.33%
0	1	16.66%
Total	6	100%

#### 4.8 Batch 8 – CME Cycle from 1.7.2002 to 30.6.2005

A total of 2 Fellows fell onto this batch. They started their CME cycle since early July this year, their CME scores so far are:

<b>CME Credits</b>	<b>No. of Fellows</b>	<b>Percentage of Fellows</b>
30 or above	0	0
1 to 29	1	50%
0	1	50%
Total	2	100%

### 5. Membership & Learning Management System (MLMS)

Our CME Committee has been working closely with the Academy of Medicine's MLMS Committee in submitting the latest possible CME scores by our Fellows so that each and every Fellow can check his/her own CME scores via the internet. The initial MLMS was launched in September 2002 and our College was one of the five selected Colleges to be involved in the pilot stage. Hopefully, by end of March 2003, all colleges would be covered under the MLMS.

To make the system functional and meaningful, we need your support to submit your CME activities promptly and consistently at regular intervals.

6. Handbook on Continuing Medical Education - second edition.

Our Committee is still in the process of preparing a second edition of the Handbook on CME, with quite a few suggestions from various sources received, including those from our own Fellows. Hopefully, it will be available from the Printer for all Fellows by early next year. Meanwhile, should you have any further comments, please do not hesitate to contact me, preferably before end of November 2002, so we can have the time to make further amendments. All constructive ideas will be considered seriously.

Dr K H LEE  
Chairman

### **Membership Committee**

- ☆ The committee screened candidates for application as members, fellows and honorary fellows.
- ☆ Five honorary fellows, all with distinguished careers were recommended to Council for endorsement. Three honorary fellows will be conferred upon in the forthcoming Annual General Meeting and the rest of them in the year 2003 either at the Spring Scientific Meeting or our centenary meeting.
- ☆ Nine new members are/will be admitted to the College as members, 4 of which in a conjoint ceremony with The Royal College of Surgeons of Edinburgh on 25<sup>th</sup> October 2002. The rest of the members will be admitted in the dental specialties of Oral Surgery, and Paediatric Dentistry at the forthcoming Annual General Meeting of the College.
- ☆ One fellow in the specialty of Paediatric Dentistry will be admitted at the College Annual General Meeting.
- ☆ All unsuccessful applicants for membership/fellowship were referred to their specific specialty boards or sub-committees for detailed advice.

Dr John Ling  
Chairman

## **IT Committee**

College Representative: Dr Eddie CK Yau  
Members: Dr Sai Kwing Chan  
Dr Man Hei Wong  
CDSHK web site: [www.cdshk.org](http://www.cdshk.org)

Following the resignation of our Web Master, we welcomed the recruitment of Drs Chan Sai Kwing and Wong Man Hei into our IT Committee. CME activities are announced in our web-site now in fulfilling the role as CME Programme Provider as accredited by the Dental Council. We aspire to further develop our web-site to cater for the increasing demands from our Members.

Dr Eddie Yau  
Chairman

## TREASURER'S REPORT

Our College continues to maintain a healthy financial position for the year ended 31<sup>st</sup> March 2002. The financial statement recorded a surplus of \$522,873 with a major contribution as usual from membership and subscription fees. Other sources of income include scientific meetings, revision courses and examinations with a significant increase particularly from exit examinations. There were altogether nine candidates sitting for the exit examinations and three others who went through the exit assessment.

Major Operating expenses were salaries and allowance paid to staff and management fees for the College Chamber in the Hong Kong Academy of Medicine. Although the objectives of the College are not profit making, a healthy financial status and prudent financial management are essential to its smooth operation. In particular, the College is preparing for the 10<sup>th</sup> Anniversary of its foundation in 2003 with an International Conference to mark the event. 300 to 400 participants from both local and overseas are expected to attend the Conference. We rely very much on the active participation of our fellows and members. I look forward to seeing your support to the College's scientific and social functions to make this event viable.

Finally, I would like to express my heartfelt thanks to our Honorary Auditor, Messrs. Li Tang Chen & Co. for auditing our accounts and our council members for their continual support.

Dr Jason Cheng  
Honorary Treasurer

**HONORARY AUDITOR'S REPORT**  
**TO THE MEMBERS OF THE COLLEGE OF DENTAL SURGEONS OF HONG KONG**  
(incorporated in Hong Kong with limited liability)

I have audited the financial statements on pages 4 to 9 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

**RESPECTIVE RESPONSIBILITIES OF COUNCILLORS AND THE HONORARY AUDITOR**

The Companies Ordinance requires the councillors to prepare financial statements which give a true and fair view. In preparing financial statements which give a true and fair view it is fundamental that appropriate accounting policies are selected and applied consistently.

I am engaged to form an independent opinion, based on my audit, on those statements and to report my opinion to you.

**BASIS OF OPINION**

I conducted my audit in accordance with Statements of Auditing Standards issued by the Hong Kong Society of Accountants. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the councillors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the college's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**OPINION**

In my opinion the financial statements give a true and fair view of the state of the college's affairs as at 31<sup>st</sup> March, 2002 and of its surplus for the year then ended and have been properly prepared in accordance with the Companies Ordinance.

Li Ka Cheung, Eric  
Certified Public Accountant,  
Honorary Auditor.

The only component of the statement of recognised gains and losses is the net surplus for the year.

# THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

## NOTES ON THE FINANCIAL STATEMENTS

### 1. STATUS OF THE COLLEGE

The college was incorporated in Hong Kong on 23<sup>rd</sup> February, 1993 as a company limited by guarantee. Every member of the college undertakes to contribute, if required, an amount not exceeding HK\$100 to the assets of the college in the event of its being wound up.

The college is engaged in promoting for the public benefit the advancement of knowledge in the field of dental surgery and its associated subjects and promoting training and research in dental surgery.

### 2. ADOPTION OF STATEMENTS OF STANDARD ACCOUNTING PRACTICE

In the current year, the college has adopted for the first time new and revised SSAPs issued by the Hong Kong Society of Accountants. The new and revised SSAPs have introduced revised disclosure requirements which have been adopted in these financial statements.

The adoption of these new and revised SSAPs has no material impact on the amounts reported for the current or prior periods.

### 3. PRINCIPAL ACCOUNTING POLICIES

#### a) Basis of preparation:

The financial statements are prepared under the historical convention, and in accordance with all applicable Statements of Standard Accounting Practice and Interpretations issued by the Hong Kong Society of Accountants, accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance.

#### b) Revenue recognition:

Income from subscription and entrance fees is recognised on an accruals basis.

Income from meeting, course and examination is recognised upon completion of services provided.

Sales of college ties are recognised when college ties are delivered.

Interest income is recognised on a time proportion basis.

#### c) Depreciation on fixed assets:

Fixed assets are stated at cost less accumulated depreciation and any impairment losses.

Fixed assets are depreciated on the straight line method at the following rate:-

College gowns	20% per annum
Leasehold improvement	20% per annum
Furniture and fixtures	20% per annum
Office equipment	20% per annum

# THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

## NOTES ON THE FINANCIAL STATEMENTS

### 3. PRINCIPAL ACCOUNTING POLICIES (CONT' D)

#### d) Inventories:

Inventories are stated at the lower of cost and net realisable value. Cost is calculated by using the weighted average method. Net realisable value is determined by management based on prevailing market conditions.

#### e) Related parties:

Parties are considered to be related if one party has the ability, directly or indirectly to control the other party, or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control or common significant influence. Related parties may be individuals or entities.

#### f) Cash equivalents:

Cash equivalents are short-term, highly liquid investments which are readily convertible to known amounts of cash without notice and which were within three months of maturity when acquired.

### 4. SUBSCRIPTIONS AND FEES

	<u>2002</u> HK\$	<u>2001</u> HK\$
Members' subscriptions	371,067	323,100
Members' entrance fees	<u>40,500</u>	<u>49,000</u>

## NOTES ON THE FINANCIAL STATEMENTS

### 6. FIXED ASSETS

	College gowns HK\$	Leasehold improvement HK\$	Furniture and fixtures HK\$	Office equipment HK\$	Total HK\$
Cost:					
Balance at 31.3.2001	38,440	193,100	49,445	28,925	309,910
Additions	-	-	-	52,858	52,858
Balance at 31.3.2002	38,440	193,100	49,445	81,783	362,768
Accumulated depreciation:					
Balance at 31.3.2001	32,440	115,860	28,480	15,139	191,919
Charge for the year	3,000	38,620	9,889	16,357	67,866
Balance at 31.3.2002	35,440	154,480	38,369	31,496	259,785
Net book value at 31.3.2002	3,000	38,620	11,076	50,287	102,983
Net book value at 31.3.2001	6,000	77,240	20,965	13,786	117,991

### 7. INVENTORIES

	2002 HK\$	2001 HK\$
College ties and crests	24,414	15,905

The cost of inventories recognised in the income and expenditure account during the year amounted to HK\$601 (2001: HK\$20,783).

### 8. CASH AND CASH EQUIVALENTS

	2002 HK\$	2001 HK\$
Time deposit with a bank	1,463,770	444,757
Cash at bank	1,099,445	1,432,582
	2,563,215	1,877,339

## 9. ACCUMULATED FUNDS

	<u>2002</u> HK\$	<u>2001</u> HK\$
Balance brought forward	1,986,958	1,508,203
Net surplus for the year	<u>522,873</u>	<u>478,755</u>
Balance carried forward	<u>2,509,831</u>	<u>1,986,958</u>

## 10. TAXATION

No provision for Hong Kong profits tax has been made as, in the opinion of the councillors, the college is not deemed to be chargeable to profits tax under section 24(1) of the Inland Revenue Ordinance.

## 11. COUNCILLORS' REMUNERATION: HK\$Nil (2001: HK\$Nil).

## 12. RELATED PARTY TRANSACTION

During the year, the college had the following related party transaction in the normal course of business.

	<u>2002</u> HK\$	<u>2001</u> HK\$
Management fee paid to Hong Kong Academy of Medicine	<u>72,000</u>	<u>72,000</u>

In the opinion of the councillors, the above-mentioned related party transaction was carried out on normal commercial terms.

As of 17<sup>th</sup> November 2002, there were 162 Fellows, 26 Members and 18 Honorary Fellows on the College Register.

## The New Diploma

In 2000, the new diploma for OMS, Orthodontics and Paediatric Dentistry was available to allow better description of the different specialty. Fellows were invited to exchange their original diploma for the new one free of charge. However we could not hold the diplomas in The College forever and the Council decided to set a charge of \$500 for late collection after December 2001 for the specialty of Orthodontics, OMS and Paediatric Dentistry. At present there is no fee set for late collection for diploma under Periodontology, Prosthodontics and Endodontics as their diplomas were only approved recently but it may change in the future. Please bring along your original diploma to exchange for your new diploma soon.

Those who could not find their original diploma would have to pay \$1000 and make a declaration that it was lost.

Number of Fellows under each Specialty		Number of Fellows who have not exchanged their Specialty Diplomas
OMS	41	5
Orthodontics	45	8
Paediatric Dentistry	21	3
Periodontology	10	3
Prosthodontics	13	6
