President's Report

It had been a busy and colourful year decorated with many exciting events and it gave me great pleasure to write this annual report. This year, we saw Prof Stephen H Y Wei who was one of our Past Presidents; and Dr William C W Yung who had served continuously in the College Council for 12 years leaving the Council; and we saw Dr Katherine C M Leung and Dr S Y Cho joining the Council as Councillors for the first time. The College welcomed Dr S K Chan as the new VP (General Affairs & CPD), Dr Edmond H N Pow as the new Honorary Secretary, and Dr Robert P Y Ng as the new Censor-in-Chief. Prof Edward C M Lo and Dr Alfred C C Tsang had kindly remained as VP (Education & Examinations) and as Honorary Treasurer respectively. This year the Council had also formed a new House Committee to help looking after the day to day running of the Secretariat which consisted of 4 full-time staff members.

The Education & Examinations Committee had revised the various application forms and had strengthened the documentation and monitoring of all the trainees. Once again, the College had conducted many Intermediate Examinations jointly with the Royal College of Surgeons of Edinburgh. Exit Examinations were also being conducted in Endodontics, in Oral & Maxillofacial Surgery, in Orthodontics and in Paediatric Dentistry. Nine College Fellows were admitted by the Academy Conferment Ceremony on 17 December 2010 and added to the list of FHKAM (Dental Surgery). At the HKAM EGM on 16 June 2011, six College Fellows were admitted by the Academy and I would like to congratulate all of them on their accomplishment.

In November 2010 the College held a "Joint Congress on Implant Dentistry" together with the Global Committee on Osseointegration. Gratitude must be extended to Prof W K Leung for chairing the Local Organising Committee and for organizing such a successful and educational event. In the same month, the College published one piece of important document, "Guidelines for the Provision of Dental Implants", setting out the training requirements for the different levels of implant treatment, the various considerations in placing dental implants, the importance of implant maintenance and documentation as well as the importance of quality assurance. On 15 May 2011, a Spring Scientific Meeting was conducted with the theme of "Community Dentistry"; and on 20 November 2011 there would be a Winter Scientific Meeting with the theme of "Endodontics".

The last CME/CPD cycle stipulated by HKAM had ended at the end of 2010. When the profiles of all Fellows had been finalized, only one Fellow needed to complete his remedial CME before the end of 2011, and at the same time, he had to fulfil the requirements of the new cycle. In the new 3-year cycle starting from 1 January 2011 there was a revised set of "Principles & Guidelines on CME/CPD" which was available on the College Website for all Fellows' reference.

Much time and great efforts had been offered by Dr Raymond K M Lee and his Committee for General Dentistry in organizing the training and examination for general dental practitioners. The very first diet of the MGD Part I Examination had been conducted on 9 January 2011. It was an important milestone for the College. The MGD Part II Examination

was successfully conducted in August with the assistance of four external examiners. On 20 August 2011, I met the President-Elect of the Royal Australasian College of Dental Surgeons, Prof Pearlman, in exploring the possibility of further collaboration in bringing together the two examinations of MRACDS and MGD(CDSHK). It was of course a consequence of the exchange of MOU with RACDS in December 2010. Dr Raymond K M Lee's contribution was much appreciated.

Those Fellows who attended our Conferment and Annual Dinner would have noticed that the College had produced some new College Gowns with eye-catching design. I must thank Dr Robert P Y Ng for his effort in this matter.

On 7 June 2011 the Council of HKAM met the Minister of Health of the PRC, Prof Chen Zhu, who gave an introduction of the Health Reform in the Mainland and informed about the progress in the development of specialists in the Mainland. Two levels of cooperation would be possible between HKAM and the Mainland, the drawing up of guidelines and the training/examination for specialists. Further discussions would certainly be held on the details of these issues. Our College awaited eagerly our contribution in these issues.

In July, I joined a HKAM delegation in attending the 45th Singapore-Malaysia Congress of Medicine held in Singapore and renewed friendship with our counterparts from those two countries. It was a privilege to be part of the platform party and to enjoy an oration presented by our own Secretary for Food & Health, Dr York Chow.

This year, the Royal College of Surgeons of Edinburgh would introduce changes to certain of their membership examinations. In the specialty of Oral & Maxillofacial Surgery, the conjoint Intermediate Examination would change its name to "Membership in Oral & Maxillofacial Surgery" with a new format of examination. In the specialties of Endodontics, Periodontology and Prosthodontics, the examinations would separately become "Membership in Endodontics", "Membership in Periodontology", and "Membership in Prosthodontics" respectively with the format and contents of the examinations remained unchanged.

This year the Council had revived the CDSHK Scholarship through which higher trainees and young Fellows could obtain sponsorship to travel and receive training in a renowned centre outside Hong Kong. Two such scholarships were awarded.

The College was the home of all Fellows and Members and I would urge all of you to show your support and to participate actively in all the activities of your own College. Lastly, I would like to express my heartfelt gratitude to all the Councillors for their wisdom and guidance, especially the Office-bearers whose hard works were so highly commendable. Special thanks must also go to Ms Rose Chow, Ms Lilian Cheung, Ms Julia Lau and Ms Sharon Tam for their excellent administrative and secretarial support.

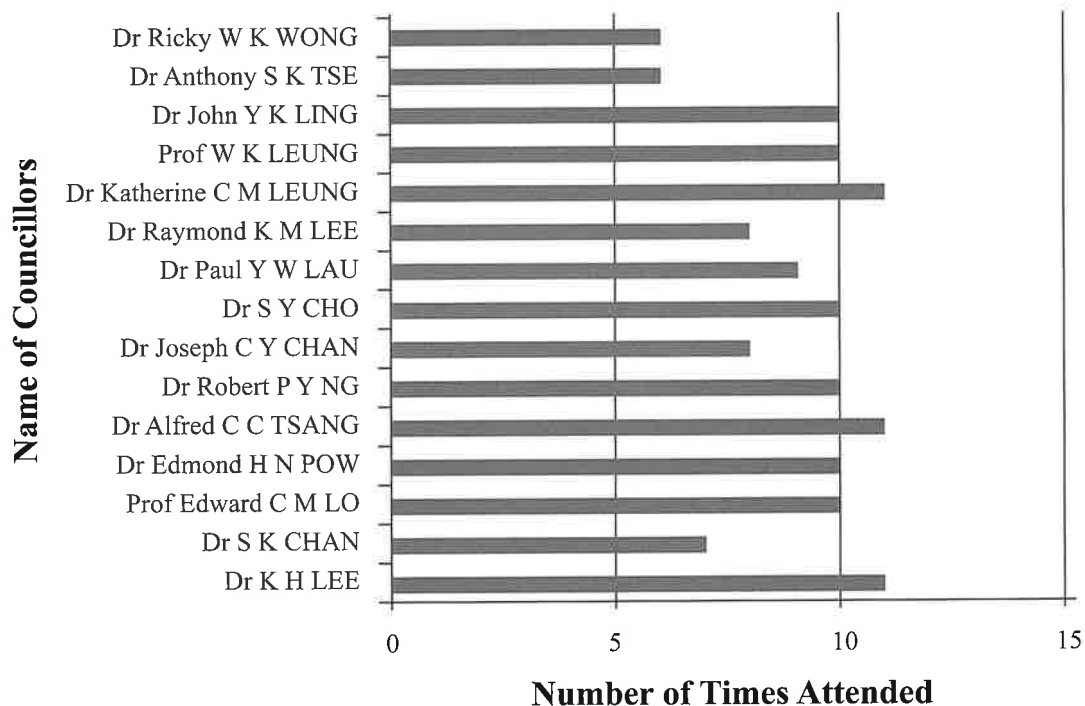

Dr K H LEE
President

Report of the Council & Committees

The College Council consists of **15** Councillors and a total of **11** meetings were held from November 2010 to October 2011.

President :	Dr K H LEE
Vice-President (General Affairs & CPD) :	Dr S K CHAN
Vice-President (Education & Examinations) :	Prof Edward C M LO
Hon Secretary :	Dr Edmond H N POW
Hon Treasurer :	Dr Alfred C C TSANG
Censor-in-Chief :	Dr Robert P Y NG
Councillors :	Dr Joseph C Y CHAN
	Dr S Y CHO
	Dr Paul Y W LAU
	Dr Raymond K M LEE
	Dr Katherine C M LEUNG
	Prof W K LEUNG
	Dr John Y K LING
	Dr Anthony S K TSE
	Dr Ricky W K WONG

Attendance of Councillors

Education & Examinations Committee

Chairman :	Prof Edward C M LO (Specialty Board in Community Dentistry)
Ex-officio Members :	Dr S K CHAN (Vice-President, General Affairs &CPD) Dr Edmond H N POW (Hon Secretary)
Members :	Dr Joseph C Y CHAN (Specialty Board in Paediatric Dentistry) Dr Gordon K C CHIU (Specialty Board in Periodontology) Dr Simon C Y LIU (Specialty Board in Family Dentistry) Dr John Y K LING (Specialty Board in Orthodontics) Dr Robert P Y NG (Specialty Board in Endodontics) Dr Bill S W YAN (Specialty Board in Oral & Maxillofacial Surgery) Dr William C W YUNG (Specialty Board in Prosthodontics)

The Committee had held 6 meetings in the year. The main issues that were handled include:

- vetting of applications for a Certificate of Specialist Registration
- vetting of trainee applications
- documentation of trainee status and progress
- reactivation of the training in Family Dentistry following the adoption of the new training pathway document
- arrangements for intermediate and exit examinations
- nomination of examiners for the intermediate and exit examinations

Prof Edward C M LO
Chairman

Specialty Board in Community Dentistry

Chairman : Prof Edward C M LO
Secretary : Dr Michael T W HO
Members : Dr Wendy K M CHAM
Dr Colman McGRATH
Dr Frankie H C SO
Dr Felix S H YU

- There are two accredited training centres in Community Dentistry, namely the Faculty of Dentistry of the University of Hong Kong and the Dental Service of the Department of Health of the HKSAR Government. The supervisors of the respective training institution are Prof Edward C M Lo and Dr Michael T W Ho.
- In last year, we had admitted 1 higher trainee. Two basic trainees had resigned.
- One basic trainee application is being processed.
- There are currently 6 basic trainees and 4 higher trainees in Community Dentistry.
- Most of the trainees had been progressing satisfactorily and examinations are likely to be held in the coming year.

Prof Edward C M LO
Chairman

Specialty Board in Endodontics

Chairman : Dr Robert P Y NG
Secretary : Dr Wiley T C LAM
Members : Dr Carlo CASTELLUCCI (HKES representative)
Dr Alex W K CHAN
Dr Gary S P CHEUNG
Dr May W M HO
Dr Y F MAK
Supervisor of Training: Dr Gary S P CHEUNG

Approved training institution:

1. Faculty of Dentistry, The University of Hong Kong
2. MacLehose Dental Centre, Department of Health (for higher training only)

Number of Fellows in the Specialty: 12 (as of September 2011)
Number of higher trainees to date: 3
Number of basic trainees to date: 7

Meetings

No physical meetings took place in 2010. All matters were dealt with via emails.

Examinations

There will be 1 candidate sitting for the Conjoint Intermediate/MEndo Examination in November 2011.

Dr S W Tan was successful in her Exit Examination held in November 2010 and fulfilled all the requirements of the Specialty of Endodontics. She was recommended for fellowships of the College and the Hong Kong Academy of Hong Kong (HKAM). An Exit Examination will be held in November 2011 for another Higher Trainee.

Dr Robert P Y NG
Chairman

Specialty Board for Family Dentistry

Chairman : Dr Simon C Y LIU
Secretary : Dr B K YIU
Members : Dr C S KUM
Dr Norman C M LAW
Dr Haston W M LIU
Dr Arthur W Y PANG

Revision of Training Pathway

After approval of the new training pathway of Family Dentistry by Hong Kong Academy of Medicine in July of 2010, the specialty board has been working very hard to implement the pathway for dental professionals working both in private sector and in Government sector. The specialty board appreciates very much the effort made by Dr S C Fung of United Christian Hospital as well as Dr Joseph C Y Chan and Dr Wiley T C Lam of Government Dental Service to provide training posts for Family Dentistry trainees. The specialty board is also grateful for the positive attitude of Prof L P Samaranayake, Prof W K Leung, and Assoc Prof M F Burrow to consider the incorporation of Family Dentistry training pathway into the post-graduate training programmes of PPDH.

Trainees in Family Dentistry

There are presently three basic trainees under training in Family Dentistry.

MGDS RCS Examination

No diet was held in 2011.

Dr Simon C Y LIU
Chairman

Specialty Board in Oral & Maxillofacial Surgery

Chairman : Dr Bill S W YAN
Secretary : Dr Antonio C K TONG
Members : Prof L K CHEUNG
Dr Benjamin K C CHOW
Dr James K F CHOW
Dr K H LEE
Prof N SAMMAN
Dr Eddie C K YAU

- The Conjoint MOS examination was conducted on 15 & 19 November 2010. There were four candidates for the Conjoint MOS examination and two candidates for the MOS examination only. The examination was helmed by the chief examiner Prof L K Cheung. The examiners from the Edinburgh College were Mr Michael Hahn & Mr Peter Douglas. Drs Alfred S H Lee, Derek K Y Tse and W K Tsui were successful for the Conjoint MOS examination.
- A change in format and title of the Conjoint Examination was proposed by the Royal College of Surgeons of Edinburgh (RCSEd). Candidates will be subjected to the same clinical scenarios with the elimination of clinical examination on different patients. Members agreed to continue to hold Conjoint Examination with RCSEd in the new Diploma of Membership in Oral and Maxillofacial Surgery (MOMS RCSEd). Members also considered that the new title deemed appropriate in reflecting the higher and wider scope of training required. The inaugural diet of Conjoint MOMS Examination will be held on 5 and 9 March 2012. Candidates were informed and notices of examination were published on both RCSEd and CDSHK websites.
- At the close of October 2011, there are a total of 3 higher trainees and 11 basic trainees registering with the College. Their training progress was evaluated in September with the Trainee Evaluation Form as assessed by their supervisors and trainers.
- Dr Eddie C K Yau resigned from the post of Honorary Secretary of the Specialty Board after years of service. Dr Antonio C K Tong was nominated to succeed the post unanimously by all Members of the Specialty Board.

Dr Bill S W YAN
Chairman

Specialty Board in Orthodontics

Chairman : Dr John Y K LING
Secretary : Dr Michael N Y CHAU
Members : Prof Erik Urban HÄGG
Dr Paul Y W LAU
Prof Bakr RABIE
Dr Alec K C TAM
Dr Alexander T H TANG
Dr Ricky W K WONG (HKSO representative)
Supervisor of Training : Prof Erik Urban HÄGG (till 31 August 2011)
Dr Ricky W K WONG (from 1 September 2011)

Approved training institutions:

1. Central Government Office Dental Clinic, Department of Health
2. Faculty of Dentistry, University of Hong Kong
3. Yaumatei Jockey Club Dental Clinic, Department of Health

A Conjoint Membership Examination in Orthodontics with the Royal College of Surgeons of Edinburgh was held in November 2010 and 2 of our College trainees sat for the FCDSHK Intermediate Examination in the Specialty of Orthodontics as well.

The 2011 diet for MOrth RCSEd examination is scheduled in November with 20 local and overseas candidates, including 9 from Japan.

An Exit Examination in the specialty may be held at the end of 2011.

Currently, there are 10 basic trainees and 5 higher trainees registered with the College in the Specialty of Orthodontics.

I would like to thank all the members of the specialty board, local and overseas examiners, supervisors and trainers of the College for their valuable contributions. A special recognition must go to Prof Hägg for his tremendous effort and involvement in the development of the specialty of orthodontics since the inception of the College.

Dr John Y K LING
Chairman

Specialty Board in Paediatric Dentistry

Chairman :	Dr Joseph C Y CHAN
Secretary :	Dr Kenneth K K HUI
Members :	Dr Samuel C L CHAN
	Prof Nigel M KING
	Dr Beatrice B VATTASINGH
	Prof Stephen H Y WEI
	Dr Cynthia K Y YIU

The following were highlights of our activities during the year 2010-2011:

- The 9th Conjoint Membership Examination in Paediatric Dentistry with the Royal College of Surgeons of Edinburgh was held in October 2010. There were altogether three candidates with one sitting the Conjoint Examination and two sitting the M Paed Dent RCSEd Part II Examination. All candidates were successful. Dr Patricia Baxter and Prof Chris Deery were external examiners from the Royal College of Surgeons of Edinburgh.
- The 10th Conjoint Membership Examination with the Royal College of Surgeons of Edinburgh will be held from September to November 2011.
- We currently have 8 higher trainees in the Speciality.
- An Exit Examination will be held in December 2011.

Dr Joseph C Y CHAN
Chairman

Specialty Board in Periodontology

Chairman : Dr Gordon K C CHIU
Secretary : Prof L J JIN
Members : Prof Esmonde F CORBET
Dr Stanley M L LAI
Dr D H LEE
Prof W K LEUNG
Dr C YU

Supervisor of Training : Prof Esmonde F Corbet

Number of trainers : 7

Number of trainees : Higher trainees – 10
Basic trainees – 12

- In November 2010, six of our trainees have passed the Conjoint MRD RCSEd and FCDSHK Intermediate Examination in the Specialty of Periodontology and will proceed to higher training.
- The Specialty Board together with the Royal College of Surgeons of Edinburgh will conduct the new Conjoint M Perio and FCDSHK Intermediate Examination in the Specialty of Periodontology in Hong Kong. There will be two of our trainees sitting for the Examination.

Dr Gordon K C CHIU
Chairman

Specialty Board in Prosthodontics

Chairman :	Dr William C W YUNG
Secretary :	Dr Robin W C CHUNG
Chief Examiner :	Dr William C W YUNG
Members :	Prof T W CHOW
	Dr L H KEI
	Dr Katherine C M LEUNG
	(Hong Kong Prosthetic Dentistry Society representative)
	Dr Edmond H N POW

1. At the moment, there are 18 basic trainees and 1 higher trainee. Two basic trainees are taking the intermediate examination in November 2011 while the higher trainee will be sitting for the Exit Examination in December 2011.
2. Dr Edmond H N Pow, being the Programme Supervisor of the training centre at the Faculty of Dentistry, University of Hong Kong, was nominated as the Supervisor of our Specialty in charge of training.
3. At present, there are 8 trainers, namely Dr William C W Yung, Prof T W Chow, Dr Robin W C Chung, Dr L H Kei, Dr P R H Newsome, Dr John Chai, Dr Edmond H N Pow and Dr Katherine C M Leung.
4. I would like to thank Dr John Dyson on his retirement from the University of Hong Kong for his lifelong dedication in disseminating and educating in both the art and science of prosthodontics in Hong Kong.
5. Finally, I would like to thank Prof Ann McMillan on her departure of University of Hong Kong with gratitude for her continuing support as supervisor of the training centre since the inception of the Specialty in the College.

Dr William C W YUNG
Chairman

Continuing Medical Education Sub-committee

1. Introduction

The concept of CME has evolved into CPD in the last decade or so. Passive, receptive continuing education activities have been gradually replaced by active, self-initiated professional development. The requirement for quality improvement (QI) is shifting towards quality assurance (QA). CPD activities are no longer merely undertaken to improve our quality of service, but also to fulfil the challenge to show all the stakeholders, i.e. our patients, ourselves, our peer, the community and the policy makers, objectively that our claimed life-long professional improvements do take place.

2. Composition of the current CME Sub-committee:

The CME Sub-committee consists of the following members:

Name of Fellow	Post
Dr S K CHAN	Chairman
Prof Edward C M LO	Ex-officio Member
Dr Wiley T C LAM	Member
Dr Haston W M LIU	Member
Dr Fung Ki WONG	Member
Dr Kenneth K K HUI	Secretary

3. HKAM Programme (CME/CPD Cycle from 1 January 2011 to 31 December 2013) for Fellows:

At present, the College of Dental Surgeons of Hong Kong has a total of 231 Fellows, in which 6 of them were new Fellows joining our college during the current CME/CPD cycle commencing 1 January, 2011, with the following breakdown:

No. of Fellows brought forward from the previous CME/CPD cycle:	225 (226-1) ¹
No. of new Fellows starting the CME/CPD cycle at 1 January 2011:	0
No. of new Fellows starting the CME/CPD cycle at 1 July 2011:	6

Fellows who started their CME cycle later than 1 January 2011 will have the CME requirements on a pro rata basis.

For those **231** old and new Fellows, their CME/CPD scores, as at 31 August 2011, can be tabulated as follows:

¹ One Fellow passed away in 2011

CME/CPD Points	No. of Fellows	Percentage of Fellows
60 or above	19	8.2%
30 to 59	103	44.6%
1 to 29	83	35.9%
0	26	11.3%
Total	231	100%

4. HKAM Programme for Non-FHKAM Specialists (from 1 January 2011 to 31 December 2013):

Our College is also monitoring the CPD performance of a total of 9 Non-FHKAM Specialists, who have their CME cycle identical to our Fellow counterparts. Their CPD profile, as at 31 August 2011, can be summarized as follows:

CPD Points	No. of Non-FHKAM Specialists	Percentage of Non-FHKAM Specialists
60 or above	1	11.1%
30 to 59	5	55.6%
1 to 29	3	33.3%
0	0	0%
Total	9	100%

5. DCHK Voluntary CPD Programme for Practising Dentists in Hong Kong (from 1 January 2011 to 31 December 2013):

(Minimum CPD requirement: 45 CME points)

A total of 8 dentists had chosen the College as their Programme Administrator. Their CPD profile, as at 31 August 2010, can be summarized as follows:

CPD Points	No. of Dentists	Percentage of Dentists
30 or above	0	0%
15-29	4	50%
1 to 14	3	37.5%
0	1	12.5%
Total	8	100%

6. College MGD Holders CME/CPD Cycle (from 1 January 2011 to 31 December 2013):

(Minimum CME/CPD requirement: 60 CME points)

Since 1 January 2008, our College has a new category of CME/CPD participants – a total of 58 dentists who have become Members in General Dentistry (MGD) of our College, are also required to meet the College's CME/CPD requirement. Their achievement, as at 31 August 2011, can be tabulated as follows:

CME/CPD Points	No. of Members	Percentage of Members
30 or above	25	43.1%
20 to 29	16	27.6%
1 to 19	16	27.6%
0	1	1.7%
Total	58	100%

7. Higher Trainees (from 1 January 2011 to 31 December 2013):

(Minimum CME/CPD requirement: 60 CME points)

The Council of the College has resolved that all higher trainees are required to meet a CME/CPD requirement. As at 31 August 2011, there are 10 registered higher trainees and their achievements are as follows:

CME/CPD Points	No. of Higher Trainees	Percentage of Higher Trainees
30 or above	4	40%
20 to 29	2	20%
1 to 19	4	40%
0	0	0%
Total	10	100%

8. All Fellows, Non-FHKAM Specialists, Enrollees of DCHK Programme and MGD Holders should take the time and effort in submitting all their unclaimed CME/CPD activities to the Secretariat within two weeks after the CME/CPD activities, to ensure their inclusion in the cycle.

9. Applications for accreditation of CME/CPD activities for the first 8 months in 2011 of the current CME/CPD cycle:

From 1 January 2011 and up to the 31 August 2011, our CME Subcommittee has vetted, approved, and accredited a total of 490 scientific meetings held locally and overseas.

10. Differences in CME/CPD points calculation

There are at present three organizations responsible for accreditation of CME/CPD activities for the dental profession, namely the Dental Council of Hong Kong (DCHK), our College and the Hong Kong Dental Association (HKDA). Each of these has its own set of guidelines and differs in the calculation of CME/CPD points. Some forms of unification would be required. The CME Subcommittee has taken the initiative to liaise with the DCHK in this aspect.

11. Future development

The Hong Kong Academy of Medicine is in the process of consulting its constituent colleges about the possibility of mandatory QA CME/CPD requirements. Preliminary discussions have already undertaken at the level of the CME Subcommittee and the Education and Examination Committee.

The DCHK has introduced the requirement of 'essential' CPD points, in the areas of medical emergency/infection control, risk management and radiology in their 2011-2013 cycle. In a recent DCHK disciplinary case, a dentist was ordered to attend structured CME/CPD courses. This has added another new remedial dimension to CME/CPD. These new initiatives of the DCHK call for quality CME/CPD activities to be organized in a more structured manner.

Dr S K CHAN
Chairman

Membership Committee

Chairman :	Dr Robert P Y NG
Members :	Dr Alex W K CHAN
	Dr Joseph C Y CHAN
	Dr Gordon K C CHIU
	Dr Michael T W HO
	Dr Raymond K M LEE
	Dr Simon C Y LIU
	Dr Ricky W K WONG
	Dr Eddie C K YAU
	Dr William C W YUNG

Taking over from my successful predecessor, Dr William C W Yung, was always going to be a considerable challenge. However, with the unfailing support from the College Council, the Committee Members and the Secretariat, this Committee managed to fulfil its function effectively. I am most grateful to all of them.

From October 2010 to September 2011, the College has admitted 6 Fellows and 14 Members (13 MCDSHKs and 1 MGD). Twenty-three candidates have passed the recently completed Membership in General Dentistry Examination Part II. They have been invited to apply for membership of the College and we look forward to welcoming them into the College.

Dr Robert P Y NG
Chairman

Scientific Meetings Committee

The Scientific Meetings Committee is pleased to report that our 2010 Autumn Scientific Meeting conjoined with European Association of Osseointegration (EAO) represented by Global Council for Osseointegration titled “2010 Joint Congress on Implant Dentistry” was successfully held from November 3 – 5, 2010 at the Hong Kong Academy of Medicine Jockey Club Building. A total of 23 speakers including 12 from Europe, 9 from Hong Kong, 1 from Japan and 1 from Thailand presented in the 3 days conference. The meeting was inaugurated by Prof F Neukam (Chairman, GCO), Dr Joseph C Y Chan (President, CDSHK), Dr the Honorable Leong Che Hung (Guest of Honour) and Prof C Hämmerle (President, EAO). There was around average 200 participants per day part-take this 3-days programme. Of them 48 were from overseas. The presentations in the 3-days programme covered a wide range of topics under six themes related to contemporary science and practice in Implant Dentistry and beyond. The local organizing committee was grateful to industry sponsors namely Geistlich, Henry Schein, Biotech Dental Ltd., Nobel Biocare Asia Ltd, Advance Dental Consulting Ltd, Healthcare Dental Ltd and Quintessence. The expert help of CDSHK colleagues Ms Rose Chow, Ms Lilian Cheung, Ms Julia Lau and Ms Sharon Tam were gratefully acknowledged. Feed backs from conference participants were extremely positive.

Shortly following the November meeting, Prof Edward C M Lo, representing CDSHK, took part in the First Tripartite Congress of the Hong Kong Academy of Medicine, Academy of Medicine of Malaysia, and Academy of Medicine, Singapore, also the 44th Malaysia-Singapore Congress of Medicine, November 12-14, 2010 at the Hong Kong Academy of Medicine Jockey Club Building. On that occasion, Prof Lo shared with his audience “New development in prevention and control of oral diseases” among 2 and 1 fellow speakers from overseas or Hong Kong, respectively for a symposium titled *Advances in Preventive Medicine*.

On May 15, 2011, we organized our 2011 Spring Scientific Meeting focusing on the theme regarding special care dentistry. During the morning sessions, we learned from local speakers like *Dr Kenneth K K Hui*, *Prof Edward C M Lo*, and *Dr Wendy K M Cham* regarding cleft lip and palate management, root caries prevention/control and patient motivation, respectively. In the afternoon session, we were grateful to have Dr Ken Zhang, Technical Director, Crest Research Institute, sharing with us “Patient-centered practice management” theories and practices. There were over 70 colleagues participating on the day.

The coming Winter Scientific Meeting is now scheduled on November 20, 2011 regarding the theme of endodontic. We are honored to able to invite *Prof Kishor Gulabivala* and *Dr Y L Paula Ng*, both from UCL Eastman Dental Institute. They are going to share with us the contemporary approaches for successful endodontic therapy.

I would like to thank all the members of the Scientific Meetings Committee nominated by the various specialty boards of the College for their contributions. Special thanks go to Prof Edward C M Lo and Dr Robert P Y Ng who helped with the Spring and Winter Scientific Meeting 2011, respectively and the secretariat of the College for their indispensable assistance in organizing the above scientific events.

Chairman

Information Technology Committee

Chairman : Dr Paul Y W LAU
Members : Dr Alex W K CHAN
Dr Simon C Y LIU
Dr Edmond H N POW

It is my pleasure to present the 2010-2011 Annual Report for the IT development of our College and our major accomplishments over the last year, which are highlighted below.

The Membership Management System

After the MMS was incorporated into our computer system for test running since December 2009, it has been running smoothly and well maintained. In addition, we had worked on the CME/CPD modules, testing has been conducted, which are close to completion.

Hardware Upgrade and Data Backup

We had installed a number of hardware such as server rack, new network switch for server rack enhancement, UPS, NAS Upgrade and additional hard drive (external) for monthly data backup. Our Computer system has been functioning well after we had completed the data transfer.

We had conducted data backup for NAS and extra external hard disk. Moreover, offsite backup is now in order so that our system information could be safeguarded from any kind of destruction.

Password Management

In order to better secure our IT environment, we have encrypted all passwords that were related to our IT system. The passwords had been kept by Hon Secretary, IT Committee Chairman and Executive Secretary of our Secretariat.

Email Accounts Set Up

According to our last update exercise, only around 30% of our members preferred receiving our communications by email. While communicating members/trainees in line with their preferences, we would also work in parallel in shifting the use of email as our ultimate goal in order to make our colleagues more environmental friendly, because there was over 90% of our 489 members/trainees' owning email accounts, yet the frequency of communicating by email was still low for the time being.

Finally, I would like to express my utmost gratitude to our members of the IT Committee and all staff of the Secretariat for giving opinion and support for the IT Committee.

I would like to report on the training, examination – preparation and execution and international collaboration & benchmarking of the first diet on Membership in General Dentistry (MGD) by full examination 2009-2011.

MGD Training Programme - Lectures

A total of 27 units of compulsory modules – Clinical Competences (CP) and Essential of Dental Practice (EDP) modules were conducted from September 2009 to March 2011. Supplementary workshops were also organized from the end of July to early August in order to help candidates for their preparation of the examination. On behalf of the Committee of General Dentistry (CGD), I would like to express my sincere thanks to all the local and overseas speakers who had benefited our participants in delivering various topics on general dentistry.

The College of Dental Surgeons of Hong Kong (CDSHK) had appointed the Hong Kong Dental Association (HKDA) as the MGD programme administrator. Their professional secretariat and organisation are critical factors for the success of the programme. The CGD would like to show our appreciation to the HKDA's General Dentistry Committee, which under the leadership of Chairman Dr David C W Ho, had contributed unfailing support, tremendous effort and valuable inputs.

Collaboration with the Royal Australasian College of Dental Surgeons (RACDS)

Question Bank for Part I Examination – MOU signed in December 2010

Presidents of the two Colleges, Dr K H Lee of the CDSHK and A/Prof Werner Bischof of the RACDS signed a memorandum of understanding on 5 December 2010. The Ceremony was witnessed by Dr Joseph C Y Chan (CDSHK) and Dr Suzanne Hanlin (RACDS), with other members of the CDSHK and RACDS Council. The agreement is on the sharing of question bank of the CDSHK MGD and RACDS MRACDS (General Stream) Examination.

Further Collaboration on the examination – Letter of Intent in August 2011

Dr K H Lee, President of the CDSHK and A/Prof Braham Pearlman, President-Elect of the RACDS signed a Letter of Intent on 20 August 2011. The ceremony was witnessed by Members of the CDSHK and RACDS Council. The CGD would like to extend our sincere

invitation to the RACDS in exploring the possibility of collaboration towards the direction for the advancement of academic excellence in both regions

Building the infrastructure of the examination

It is imperative to establish a fair, robust, valid and reliable examination & assessment system for the MGD programme. Expert opinions have been sought in drafting two guidelines on examination on Parts I and II for candidates and examiners. Briefing sessions were conducted and recorded on CDs which were distributed to ensure all candidates, trainer and examiners received the necessary information.

MGD Part I Examination

The MGD Part I Examination was held on 9th January, 2011 (Sunday) and there were 39 candidates attended the examination with over 30 examiners and invigilators. With the expertise of the examiners, examination policies had been defined and examination questions validated. Nominated by the Royal Australasian College of Dental Surgeons, we were also delighted to have Prof Michael Burrow and Prof David Manton to be our external examiners. The CGD would like to thank the Secretariat for their hard work to make our very first diet of the Part I Examination smooth and efficient.

MGD Part II Examination (Clinic Visitation)

The MGD Part II Examination (Clinic Visitation) was held on 15-19 August, 2011. 26 candidates were eligible to sit for the examination and there is a high ratio of passing rate, 88% (23 candidates).

The CGD would like to express our gratitude to all the local examiners, observers and trainers (details as below) for all your support to this Examination. Special thanks to the valuable contribution of our External Examiners, namely, Prof Trevor Burke (England), Dr Brent Weller (England), Prof Ian Meyers (Australia) and Dr Michael WYATT (Australia), without which our examination would not be a success.

Local Examiners who had participated in the MGD Part II Examination (Clinic Visitation):

Dr Andy T Y CHIU

Dr Eric S F LEUNG
Dr W Y MAK
Dr S K SETO
Dr Gerald H H SIU
Dr Vitus C M WONG
Dr Johnny WONG
Dr Albert S H YIP

I am honoured to be involved in the MGD project from its infantile stage up to the existing level of maturity. It is a result of collective wisdom and collaborative effort of everybody. Personally, I would like to express my sincere thanks to the CGD members for their professional and useful inputs. Dr Arthur W Y Pang, the Chief Examiner, is the brain behind the whole examination and it is a privilege and pleasure to work with him. The seeds of the programme were sowed long time ago and the unfailing support from our past and present Presidents, Dr Bill S W Yan, Dr John Y K Ling, Dr Joseph C Y Chan and Dr K H Lee is vital to this MGD seedling to grow and prosper.

We look forward to another fruitful year of 2012.

Dr Raymond K M LEE
Chairman

Scholarship Committee

The Scholarship Committee was established under the auspices of the Council of the College of Dental Surgeons of Hong Kong after the decision was made to support our higher trainees and fellows for overseas training. The Committee was chaired by me with Prof Edward C M Lo and Dr Alfred C C Tsang as members. Together we had set up the mode of operation and the selection process for the scholarship, which were discussed and approved by the Council. This year, the College had sponsored two scholarships. Dr K L Ho, higher trainee in Periodontology, was awarded HK\$50,000 for training at the University of Bern in Switzerland. Dr Winnie W S Choi, fellow in Oral and Maxillofacial Surgery 2010, received HK\$40,000 funding for her clinical attachment at the School of Stomatology, Peking University in Beijing.

The Committee is very grateful to our Executive Secretary Ms Rose Chow for her dedication and support, ensuring the smooth running of the Scholarship scheme.

Dr Edmond H N POW
Chairman

Treasurer's Report

The College had recorded a modest surplus totalling HK\$29,290.00 for the financial year ended 31st March 2011, while the accumulated fund of the College had reached HK\$3,609,823.00.

After careful deliberation regarding the management of the College's accumulated fund, the Council decided to concentrate our resources in education and training. As a result, a Scholarship Committee was set up under the Council and two scholarships had been established to be made available to our higher trainee / fellow. It had also been decided all scientific events that were organized solely by the College would be open to all our members and fellows free of charge.

In light of the College's future collaboration with the Royal Australian College of Dental Surgeons, the College had set up an Australian Dollar account to facilitate the handling of the fund transfers. As with past years, the Council had maintained a conservative approach to our investment and the College had no intention of investing in foreign exchange as such.

On behalf of the College, I would like to express our sincere gratitude to our Auditor, Mr Li Ka Cheung Eric of Messrs. Li, Tang, Chen & Co. for his professional advice and dedicated service in the past year. Much to the Council's delight, Mr Li has kindly offered himself for reappointment for the coming year. Special thanks are also due to Ms Sharon Tam for her professional service in book keeping and to our College secretariat staff for their excellent secretarial support.

Dr Alfred C C TSANG
Honorary Treasurer

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG
(Incorporated in Hong Kong with limited liability by guarantee)

REPORT OF THE COUNCIL

The council has pleasure in presenting its report together with the audited financial statements for the year ended 31st March, 2011.

PRINCIPAL ACTIVITIES

The principal activities of the college are promoting for the public benefit the advancement of knowledge in the field of dental surgery and its associated subjects and promoting training and research in dental surgery.

ACCOUNTS

The result of the college for the year ended 31st March, 2011 and the state of the college's affairs at that date are set out in the financial statements on pages 5 to 17.

PROPERTY, PLANT AND EQUIPMENT

Movements in property, plant and equipment during the year are set out in note (6) on the financial statements.

EXECUTIVE COUNCIL MEMBERS

President	:	Dr. Roch K. H. Lee
Vice-Presidents	:	Prof. Edward C. M. Lo Dr. Sai Kwing Chan
Honorary Treasurer	:	Dr. Alfred C. C. Tsang
Honorary Secretary	:	Dr. Edmond H. N. Pow
Censor-in-Chief	:	Dr. Robert P. Y. Ng
Councillors	:	Dr. Paul Y. W. Lau Dr. Raymond K.M. Lee Prof. W. K. Leung Dr. John Y. K. Ling Dr. Anthony S. K. Tse Dr. Cho Shiu Yin Dr. Ricky W.K. Wong Dr. Joseph C. Y. Chan Dr. Katherine C. M. Leung

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG
(Incorporated in Hong Kong with limited liability by guarantee)

REPORT OF THE COUNCIL

COUNCILLORS

In accordance with articles 40, 41 and 43 of the college's articles of association, all councillors shall continue to hold office.

EXECUTIVE COUNCIL MEMBERS' INTEREST

No contracts of significance to which the College was a party and in which a member of the executive council had a material interest subsisted at the end of the year or at any time during the year.

At no time during the year was the College a party to any arrangements to enable the executive council members of the College to acquire benefits by means of the acquisition of shares in, or debentures of, the College or any other body corporate.

AUDITORS

The financial statements have been audited by Messrs. Li, Tang, Chen & Co. who retire but, being eligible, offers themselves for re-appointment.

On behalf of the Council

.....
President

Hong Kong, **15 AUG 2011**

INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF THE COLLEGE OF DENTAL SURGEONS OF HONG KONG
(incorporated in Hong Kong with limited liability by guarantee)

We have audited the financial statements of The College of Dental Surgeons of Hong Kong ("the College") set out on pages 5 to 17, which comprise the balance sheet as at 31st March, 2011, and the statement of comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

COUNCILLORS' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The councillors of the College are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the councillors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial statements that give a true and fair value in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the councillors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

to be cont'd/.....

OPINION

In our opinion, the financial statements give a true and fair view of the state of affairs of the College as at 31st March, 2011 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The college was incorporated in Hong Kong on 23rd February, 1993 as a company limited by guarantee. Every member of the college undertakes to contribute, if required, an amount not exceeding HK\$100 to the assets of the college in the event of its being wound up.

The address of the registered office of the college is Room 902, HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The college is engaged in promoting for the public benefit the advancement of knowledge in the field of dental surgery and its associated subjects and promoting training and research in dental surgery.

The financial statements are presented in Hong Kong dollars which is the same as the functional currency of the college.

2. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs")

The Hong Kong Institute of Certified Public Accountants ("HKICPA") has issued new and revised standards and interpretations that are first effective for the current accounting period.

The following developments are relevant to the College's financial statements:

- Improvements to HKFRSs (2009)

The application of improvements to HKFRSs (2009) have had no material impact on the College's financial statements.

The College has not early applied any new standard, amendment and Interpretation that is not yet effective for the current accounting period (see note 13).

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a) Basis of preparation:

The financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which also include Hong Kong Accounting Standards and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance. The financial statements have been prepared under the historical cost convention.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

a) Basis of preparation: (cont'd)

The preparation of financial statements in conformity with HKFRSs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

b) Property, plant and equipment:

Property, plant and equipment, other than construction in progress are stated at cost less accumulated depreciation and accumulated impairment losses. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the property, plant and equipment, the expenditure is capitalised as an additional cost of that asset.

Depreciation on property, plant and equipment is calculated by the straight-line method to allocate cost to their residual value over their estimated useful lives as follows:

College gowns	20% per annum
Leasehold improvement	20% per annum
Furniture and fixtures	20% per annum
Office equipment	20% per annum

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The gain or loss arising on derecognition of the asset (calculated as the difference between the net sale proceeds and the carrying amount of the asset is included in the statement of comprehensive income in the year in which the item is derecognized).

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

c) Inventories:

Inventories are stated at the lower of cost and net realizable value. Cost is calculated by using the weighted average method. Net realizable value is determined by management based on prevailing market conditions.

d) Impairment:

At each balance sheet date, the College reviews internal and external sources of information to determine whether the carrying amounts of its tangible assets have suffered an impairment loss or impairment loss previously recognised no longer exists or may be reduced. If any such indication exists, the recoverable amount of the asset is estimated, based on the higher on its net selling price and value in use.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. Impairment losses are recognised as an expenditure immediately.

A reversal of impairment losses is limited to the carrying amount of the asset that would have been determined had no impairment loss been recognised in prior years. Reversal of impairment losses is recognised as income immediately.

Impairment loss on financial assets which is carried at amortised cost is measured as the difference between the asset's carrying amount the present value of estimated future cash flows discounted at the financial asset's original effective interest rate.

e) Revenue recognition:

Income from subscription and entrance fees is recognised on an accruals basis.

Income from meeting, course and examination is recognised upon completion of services provided.

Interest income is recognised as it accrues using effective interest method.

f) Related parties:

For the purposes of these financial statements, parties are considered to be related to the college if the college has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the college and the party are subject to common control or common significant influence. Related parties may be individuals (being members of key management personnel, councillors and/or their close family members) or other entities and include entities which are under the significant influence of related parties of the college where those parties are individuals and post-employment benefit plans which are for the benefit of employees of the college or of any entity that is a related party of the college.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

g) Cash and cash equivalents:

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the college's cash management.

h) Retirement benefit costs:

The college joins a defined contribution retirement scheme under the Mandatory Provident Fund Schemes Ordinance (the "MPF Scheme") for those employees of the college.

The college's contributions to the MPF Scheme are made based on a percentage of the eligible employees' relevant income as defined in the Mandatory Provident Fund Schemes Ordinance. These contributions are expensed as incurred. The assets of the scheme are held separately from those of the college in independently administered funds.

i) Government grants:

Government grants are recognized in the balance sheet initially when there is reasonable assurance that they will be received and that the college will comply with the conditions attaching to them. Grants that compensate the college for expenses incurred are recognized as revenue in the statement of comprehensive income on a systematic basis in the same periods in which the expenses are incurred. Grants that compensate the college for the cost of an asset are deducted in arriving at the carrying amount of the asset and consequently are recognized in the statement of comprehensive income over the useful life of the asset.

4. FINANCIAL INSTRUMENTS

4A. CATEGORIES OF FINANCIAL INSTRUMENTS

The carrying amount of financial assets is HK\$4,178,979 (2010: HK\$3,777,188) which is represented by the aggregate of interest receivable and cash and bank balance in the balance sheet.

The carrying amount of financial liabilities at amortised cost is HK\$579,252 (2010: HK\$261,063) which is represented by the aggregate of accrued expenses in the balance sheet.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

4. FINANCIAL INSTRUMENTS (CONT'D)

4B. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The college's major financial instruments comprise interest receivable, cash and bank balances and accrued expenses.

The main risks arising from the college's financial instruments are interest rate risk, credit risk, liquidity risk and foreign exchange risk. The college does not have any written risk management policies and guidelines. However, the board of councillors meet periodically to analyze and formulate measures to manage the college's exposure to these risks. Generally, the college introduces conservative strategies on its risk management. As the college's exposure to these risks is kept to a minimum, the college has not used any derivatives and other instruments for hedging purposes. The councillors review and agree policies for managing each of these risks and they are summarized as follows:

a) Interest rate risk

The college has interest-bearing bank deposits and no interest-bearing liabilities. The councillors consider that the interest rate risk is not significant.

b) Credit risk

As at 31st March, 2011, the financial assets of the college that were exposed to credit risk and their maximum exposures were as follows:

	2011		2010	
	Carrying amount in balance sheet	Maximum exposure to credit risk	Carrying amount in balance sheet	Maximum exposure to credit risk
	HK\$	HK\$	HK\$	HK\$
Interest receivable	1,379	1,379	1,716	1,716
Cash and bank balances	4,177,600	4,177,600	3,775,472	3,775,472
	4,178,979	4,178,979	3,777,188	3,777,188

The credit risk on liquid funds is limited because the counterparties are banks with high reputation.

c) Liquidity risk

Please refer to page 14.

d) Foreign exchange risk

The college carries out its activities in Hong Kong and most of the transactions are denominated in Hong Kong Dollars. Accordingly, the councillors of the college consider the college's foreign exchange risk to be insignificant.

e) Fair value estimation

The college's financial assets and financial liabilities have their carrying amounts

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

4. FINANCIAL INSTRUMENTS (CONT'D)

4B. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

c) Liquidity risk

Liquidity risk is the risk that funds will not be available to meet liabilities as they fall due, and it results from amount and maturity mismatches of assets and liabilities.

Prudent liquidity risk management implies maintaining sufficient bank balances.

The following table details the remaining contractual maturities at the balance sheet date of the college's financial liabilities which are based on contractual undiscounted cash flows and the earliest date the college can be required to pay.

	2011				2010			
	Carrying amount HK\$	contractual undiscounted cash flow HK\$	Within 1 year or on demand HK\$	Total	Carrying amount HK\$	contractual undiscounted cash flow HK\$	Within 1 year or on demand HK\$	Total
Accrued expenses	579,252	(579,252)	(579,252)		261,063	(261,063)	(261,063)

Balance carried forward	<u>3,609,823</u>	<u>3,580,533</u>

9. TAXATION

No provision for Hong Kong profits tax or deferred tax has been made as, in the opinion of the councillors, the college is not deemed to be chargeable to profits tax under section 24(1) of the Inland Revenue Ordinance.

10. COUNCILLORS' REMUNERATION: HK\$Nil (2010: HK\$Nil).

11. RELATED PARTY TRANSACTIONS

During the year, the college had the following related party transactions in the normal course of business.

	<u>2011</u> HK\$	<u>2010</u> HK\$
Remuneration of key management personnel	-	-
Management fee paid to Hong Kong Academy of Medicine	<u>85,272</u>	<u>75,000</u>

In the opinion of the councillors, the above-mentioned related party transaction was carried out on normal commercial terms.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

12. CAPITAL MANAGEMENT

The college's objectives when managing capital are:

- To safeguard the college's ability to continue as a going concern.
- To support the college's stability and growth; and
- To provide capital for the purpose of strengthening the college's risk management capability.

The college actively and regularly reviews and manages its capital structure to ensure optimal capital structure, taking into consideration the future capital requirements of the college and capital efficiency, projected operating cash flows and projected capital expenditures.

As in prior years, the college monitors capital by reviewing the level of capital that is at the disposal of the college. Capital comprises accumulated funds.

13. POSSIBLE IMPACT OF AMENDMENTS, NEW STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE FOR THE YEAR ENDED 31ST MARCH, 2011

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments, new standards and interpretations which are not yet effective for the year ended 31st March, 2011 and which have not been adopted in these financial statements.

The college is in the process of making an assessment of what the impact of these amendments, new standards and new interpretations is expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the college's results of operations and financial position.

COMPOSITION OF COMMITTEES & SUBCOMMITTEES 2010-2011

Education and Examination Committee

Chairman :	Prof Edward C M LO (Specialty Board in Community Dentistry)
Ex-officio Members :	Dr S K CHAN (Vice-President, General Affairs & CPD) Dr Edmond H N POW (Hon Secretary)
Members :	Dr Joseph C Y CHAN (Specialty Board in Paediatric Dentistry) Dr Gordon K C CHIU (Specialty Board in Periodontology) Dr Simon C Y LIU (Specialty Board in Family Dentistry) Dr John Y K LING (Specialty Board in Orthodontics) Dr Robert P Y NG (Specialty Board in Endodontics) Dr Bill S W YAN (Specialty Board in Oral & Maxillofacial Surgery) Dr William C W YUNG (Specialty Board in Prosthodontics)

There are 8 Specialty Boards and 1 Sub-Committee under the Education & Examination Committee.

1 Specialty Board in Community Dentistry

Chairman :	Prof Edward C M LO
Secretary :	Dr Michael T W HO
Members :	Dr Wendy K M CHAM Dr Colman McGRATH Dr Frankie H C SO Dr Felix S H YU

2 Specialty Board in Endodontics

Chairman :	Dr Robert P Y NG
Secretary :	Dr Wiley T C LAM
Members :	Dr Carlo CASTELLUCCI (HKES representative) Dr Alex W K CHAN Dr Gary S P CHEUNG Dr May W M HO Dr Y F MAK
Supervisor of Training :	Dr Gary S P CHEUNG

3 Specialty Board in Family Dentistry

Chairman : Dr Simon C Y LIU
Secretary : Dr B K YIU
Members : Dr C S KUM
Dr Norman C M LAW
Dr Haston W M LIU
Dr Arthur W Y PANG

4 Specialty Board in Oral & Maxillofacial Surgery

Chairman : Dr Bill S W YAN
Secretary : Dr Antonio C K TONG
Members : Prof L K CHEUNG
Dr Benjamin K C CHOW
Dr James K F CHOW
Dr K H LEE
Prof N SAMMAN
Dr Eddie C K YAU

5 Specialty Board in Orthodontics

Chairman : Dr John Y K LING
Secretary : Dr Michael N Y CHAU
Members : Prof Erik Urban HÄGG
Dr Paul Y W LAU
Prof Bakr RABIE
Dr Alec K C TAM
Dr Alexander T H TANG
Dr Ricky W K WONG (HKSO representative)
Supervisor of Prof Erik Urban HÄGG (till 31 August 2011)
Training : Dr Ricky W K WONG (from 1 September 2011)

6 Specialty Board in Paediatric Dentistry

Chairman : Dr Joseph C Y CHAN
Secretary : Dr Kenneth K K HUI
Members : Dr Samuel C L CHAN
Prof Nigel M KING
Dr Beatrice B VATTASINGH
Prof Stephen H Y WEI
Dr Cynthia K Y YIU

7 Specialty Board in Periodontology

Chairman : Dr Gordon K C CHIU
Secretary : Prof L J JIN
Members : Prof Esmonde F CORBET
Dr Stanley M L LAI
Dr D H LEE
Prof W K LEUNG
Dr C YU

8 Specialty Board in Prosthodontics

Chairman : Dr William C W YUNG
Secretary : Dr Robin W C CHUNG
Members : Prof T W CHOW
Dr L H KEI
Dr Katherine C M LEUNG
(Hong Kong Prosthetic Dentistry Society representative)
Dr Edmond H N POW

9 Continuing Medical Education Subcommittee

Chairman : Dr S K CHAN
Secretary : Dr Kenneth K K HUI
Ex-officio Member : Prof Edward C M LO
Members : Dr Wiley T C LAM
Dr Haston W M LIU
Dr F K WONG

Membership Committee

Chairman : Dr Robert P Y NG
Members : Dr Alex W K CHAN
Dr Joseph C Y CHAN
Dr Gordon K C CHIU
Dr Michael T W HO
