President's Report

I am writing to report the pertinent happenings in the College over the past year. There has been a raft of changes with the office bearers that took place in December 2016. Dr Edmond H N POW and Dr Yiu Kai WONG have assumed the roles of Vice-President (Education and Examinations) and Vice-President (General Affairs & CPD) respectively. Dr Katherine C M LEUNG has taken over the position of Honorary Secretary and with Dr Rony S Y CHO as the new Honorary Treasurer. Dr Simon K Y HO is now the Censor-in-Chief. At the last Council Meeting of 2016, The Council welcomed Dr Raymond Y L MAK as the councillor for the first time replacing Dr Stanley M L LAI who stepped down after completion of his 3-year term. A total of 11 Council Meetings were held in the period between December 2016 and October 2017.

The Education and Examinations Committee under the outstanding leadership of Dr Edmond Pow has carried out their prime remits of training and examining of our trainees across all 8 specialties and the MGD trainees most effectively. Exit Examinations were conducted in the specialties of Endodontics, Family Dentistry, Oral & Maxillofacial Surgery, Orthodontics, Paediatric Dentistry, Periodontology and Prosthodontics. A total of 13 new fellows have been admitted in 2017. Conjoint Intermediate Examinations with the Royal College of Surgeons of Edinburgh were conducted in the specialties of Endodontics, Oral & Maxillofacial Surgery, Orthodontics, Paediatric Dentistry, Periodontology and Prosthodontics. The second Conjoint Examination involving the Membership in Dental Public Health of the Royal Australasian College of Dental Surgeons (RACDS) and the specialty of Community Dentistry took place in December 2016. In August 2017, the third diet of Conjoint Examination of Membership in General Dentistry and MRACDS(GDP) was concluded. A total of 35 trainees were successful.

01 January 2017 marked the beginning of a new 3-year CME cycle. Under the expert guidance of Dr Yiu Kai Wong, the CME Subcommittee meticulously drew up the Principles and Guidelines on CME and CPD for this cycle. The Hong Kong Academy of Medicine is of the opinion that the maximum of passive CME points should be reduced in order to encourage fellows to participate in active and/or non-passive CME activities. Therefore, in this current cycle, the maximum number of CME points gained by attending pre-approved scientific meetings or courses is 70.

The Food and Health Bureau (FHB) recently published a report titled: "Strategic Review on Healthcare Manpower Planning and Professional Development". The report states that Hong Kong is short of dentists now as well as in the future. However, there was no mention about the manpower situation or planning of dental specialists. The College has since commissioned a study on the local dental specialist workforce and the results are expected later this year. The College will seek an opportunity to discuss with the FHB regarding manpower planning and training of dental specialists in Hong Kong afterwards.

In July 2017, I joined the party of the Hong Kong Academy of Medicine delegation to attend the 51st Singapore-Malaysia Congress of Medicine in Singapore. I attended a Joint Council Meeting and there was a fruitful discussion. I had the opportunity to meet and

discuss mutual issues and interests with Dr Andrew OW, President of the College of Dental Surgeons Singapore, and members of his council. Unfortunately, I was not able to meet my counterpart of the College of Dental Specialists from Malaysia. In August, I and several office bearers of the College Council met Dr Patrick RUSSO, President of the RACDS and the Chief Executive Officer, Ms Karen LUXFORD, to discuss the Conjoint MGD/MRACDS(GDP) Examination and the outline of the Memorandum of Understanding for the next diet. The meeting was held in a convivial atmosphere and I believe both parties were happy with the outcome of the discussion.

The Spring Scientific Meeting was held in May this year at the Prince Philip Dental Hospital. The theme of the meeting was "Challenges in Dentistry". The list of speakers comprised of our younger fellows, who all gave excellent presentations and Dr Bruce Chan, a psychiatrist, who also gave a very informative and entertaining presentation. The organisation of the Winter Scientific Meeting is in the capable hands of Dr Daniel T S FANG and members of the Scientific Meetings Committee.

The College is very pleased to be informed that Dr John Y K LING has been conferred The Faculty of Dental Surgery International Medal by the Royal College of Surgeons of Edinburgh for his contributions over the past many years. The College wishes to extend our congratulations to Dr Ling.

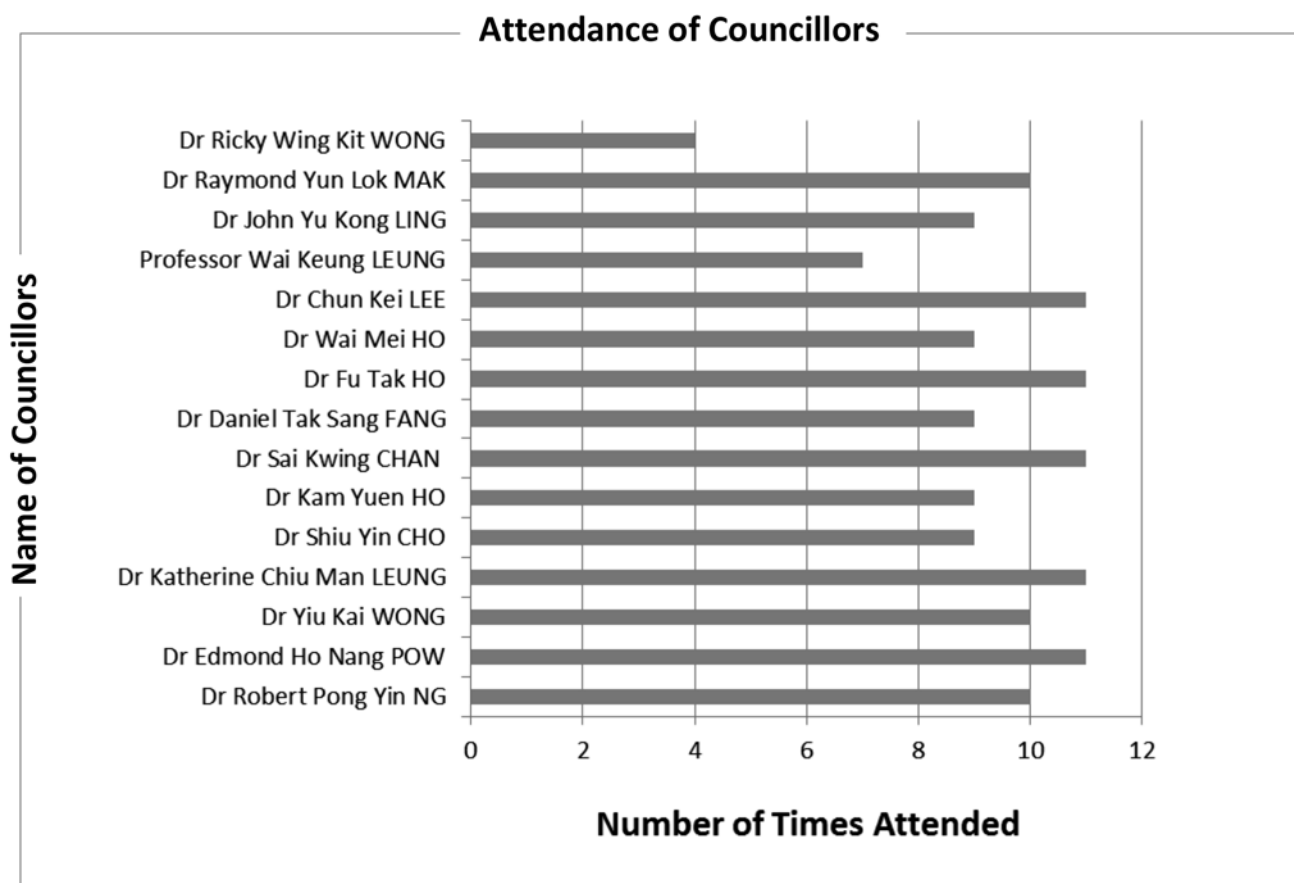

I must express my gratitude to all the office bearers and councillors for their tremendous support and advice which was instrumental in the smooth running of the College. I also wish to thank the members of the Specialty Boards, Committees and Subcommittee, examiners, trainers and mentors, who all have contributed to the success achieved by the College. Last but not least, I also like to acknowledge the Secretariat, headed by our Senior Executive Officer, Ms Rose CHOW, and her team members, Ms Lilian CHEUNG, Ms Julia LAU and Ms Cecilia LAW, for their efficiency and hard working.

- There are two accredited training centres in Community Dentistry, namely the Faculty of Dentistry of the University of Hong Kong and the Dental Service of the Department of Health of the HKSAR Government. The supervisors of the respective training centre are Prof Edward LO and Dr Wendy CHAM. A review of the two training centres was held earlier this year by the College and both centres have been accredited for another 5 years till 2022.
- In last year, we had admitted two higher trainees.
- There are currently one basic trainee and seven higher trainees in Community Dentistry.
- Under the MOU between our College and the Royal Australasian College of Dental Surgeons (RACDS), a conjoint MRACDS (Dental Public Health) and Intermediate Examination in Community Dentistry (CDSHK) was held in December 2016. Prof Marc TENANT was the examiner from the RACDS. Two basic trainees sat for the conjoint examination and they both passed.

Continuing Medical Education Sub-committee

1. Introduction

It is the objective of the Hong Kong Academy of Medicine to promote the advancement of the art and science of medicine, foster the development of postgraduate medical education and continuing medical education as well as promoting the improvement of health care for Hong Kong citizens. The purpose of Continuing Medical Education and Continuous Professional Development (CME/CPD) is to meet these objectives. In the pursuit of lifelong learning with a view to protect our own patients, CME is now required not only from fellows, but also from our members and trainees as well.

The CME Sub-committee follows the policy that accredited CME activities should be educational with an objective to enhance our competence and improve outcome of patient care. Such CME activities must be based upon the best scientific evidence available and free from any undue or biased commercial influence.

The new cycle of CME/CPD is from 1 January 2017 to 31 December 2019. Self-arranged study group in the form of experience sharing for clinical dental cases is now accepted as a form of CME/CPD activity. Updated version of the College's Principles and Guidelines on CME and CPD is available at the College's website <http://www.cdshk.org/Forms/CME/CDSHK%20P&G%202017-2019.pdf>. Any changes in the administration of CME activities are regularly communicated by emails and reported in the College's Newsletter.

2. Composition of the current CME Sub-committee:

The CME Sub-committee consists of the following members:

Name of Fellow	Post
Dr Yiu Kai WONG	Chairman
Dr Edmond Ho Nang POW	Ex-officio Member
Dr Kenneth Kwok Kuen HUI	Secretary
Dr Kam Yuen HO	Member
Dr Wiley Tak Chiu LAM	Member
Dr Norman Chi Ming LAW	Member
Dr Hin Ho SIU	Member
Dr Jerome YU	Member
Dr Kwok Wah YUEN	Member

3. HKAM Programme (CME/CPD Cycle from 1 January 2017 to 31 December 2019) for Fellows:

At present, the College of Dental Surgeons of Hong Kong (CDSHK) has a total of 287 Fellows, in which 12 of them were new Fellows joining our college during the current CME/CPD cycle commencing 1 January 2017, with the following breakdown:

No. of Fellows brought forward from the previous CME/CPD cycle ¹ :	281
No. of new Fellows starting the CME/CPD cycle at 1 January 2017:	3
No. of new Fellows starting the CME/CPD cycle at 1 July 2017:	9

Fellows who started their CME cycle later than 1 January 2017 will have the CME requirements on a pro rata basis.

For those 287 old and new Fellows, their CME/CPD scores, as at 31 August 2017, are tabulated below:

CME/CPD Points	No. of Fellows	Percentage of Fellows
60 or above	18	6.2%
30 to 59	88	30.7%
1 to 29	151	52.6%
0	30	10.5%
Total	287	100 %

4. HKAM Programme for Non-FHKAM Specialists (from 1 January 2017 to 31 December 2019):

Our College is also monitoring the CPD performance of a total of 8 Non-FHKAM Specialists, who have their CME cycle identical to our Fellow counterparts. Their CPD profile, as at 31 August 2017, can be summarized as follows:

CPD Points	No. of Non-FHKAM Specialists	Percentage of Non-FHKAM Specialists
60 or above	0	0%
30 to 59	1	12.5%
1 to 29	6	75%
0	1	12.5%
Total	8	100%

5. College MGD Holders CME/CPD Cycle (from 1 January 2017 to 31 December 2019):

(Minimum CME/CPD requirement: 60 CME points)

No. of MGD Holders brought forward from the previous CME/CPD cycle:	138 ²
No. of new MGD Holders starting the CME/CPD cycle at 1 January 2017:	0
No. of new MGD Holders starting the CME/CPD cycle at 1 July 2017:	4

¹Two Fellows retired / resigned from active practice in 2016. Four Fellows retired / resigned from active practice in 2017.

²One MGD Holder became a Fellow in 2017.

MGD Holders who started their CME cycle later than 1 January 2017 will have the CME requirements on a pro rata basis.

There are 142 MGD Holders and their achievements, as at 31 August 2017, are tabulated below:

CME/CPD Points	No. of Members	Percentage of Members
40 or above	2	1.4%
20 to 39	12	8.5%
1 to 19	99	69.7%
0	29	20.4%
Total	142	100%

6. Higher Trainees are also required to attain a minimum of 30 CME points per year. Every Trainee should keep a record of his/her own CME/CPD activities and should provide evidence of such activities in order to facilitate the College Secretariat to issue an annual report as part of his/her Higher Training annual assessment.

7. All Fellows, Non-FHKAM Specialists, MGD Holders should take the time and effort in submitting all their unclaimed CME/CPD activities to the Secretariat within two weeks after the CME/CPD activities, to ensure their inclusion in the cycle.

8. Applications for accreditation of CME/CPD activities for the first 8 months in 2017 of the current CME/CPD cycle:

From 1 January 2017 and up to the 31 August 2017, our CME Subcommittee has vetted, approved, and accredited a total of 460 (451 approved / 9 rejected) scientific meetings or training courses held locally and overseas.

9. Other activities and Future development

In response to a request of the Dental Council of Hong Kong (“DCHK”), the CME sub-committee has reviewed and then made some recommendations on DCHK’s Continuing Professional Development (“CPD”) Programme.

The CME sub-committee is actively exploring different alternatives for recording attendance of CME activities. Any constructive recommendations will be mostly welcome.

In the Year 2016-2017, Membership Committee has vetted 73 cases in total.

On the recommendation of the Committee, the College had the honour to admit Prof Fraser McDONALD and Prof Mark THOMASON as Honorary Fellows in recognition of their long term contribution to the College.

Thirteen higher trainees completed their specialist training pathways and were admitted as Fellows. The result is tabulated as follows:

<i>Specialty</i>	<i>No. of Fellows admitted</i>
Endodontics	1
Family Dentistry	2
Oral & Maxillofacial Surgery	1
Orthodontics	3
Paediatric Dentistry	1
Periodontology	3
Prosthodontics	2

Seventeen basic trainees, who passed the Intermediate Examinations in their respective specialties, were admitted as Members of the College of Dental Surgeons of Hong Kong and became higher trainees.

Forty-one candidates passed the MGD examination and were granted Membership in General Dentistry in Year 2017.

I would like to express my sincere gratitude to the members of the Membership Committee for their dedication and contribution. Lastly, the achievement of the Membership Committee could not be made possible without the efficient and great effort from the College Secretariat.

It has been the perpetual role of this committee to create an environment for knowledge exchange amongst specialists locally and internationally.

Under the leadership of Dr Stanley LAI, the College of Dental Surgeons of Hong Kong co-hosted "The Hong Kong International Symposium in the management of Peri-implantitis" with the The Faculty of Dentistry, University of Hong Kong and the Hong Kong Dental Association during the 2016 Winter Scientific Meeting. Three prominent internationally renowned scholars Prof Joerg MEYLE, Prof Stefan RENVERT and Dr Jean-Louis GIOVANNOLI shared their expertise in a one-day symposium and half-day hands-on master class, which were very well received by our Fellows and dentists in the South East Asia.

I took on the baton in organizing the scientific meetings in 2017. Through collective wisdom shared amongst committee members from various specialities, the theme for the 2017 Spring Scientific Meeting was born. What is one thing in Dentistry that *everyone* would have experienced, wish *someone* else who would have instead, and *no one* wants to talk about willingly? "Challenges in Dentistry — How would we best manage them?"

The meeting was well supported by almost 300 participants on 21 May 2017 fully packing the Lecture Theatre 1 at the Prince Philip Dental Hospital, with six speakers from various specialties. It was structured in a way that would appeal to dentists who are not necessarily specialists in that particular field, with practical tips and hints in handling such cases in the dental office.

The topics ranged from dealing with failure like "Why did it fail? Problems in managing periodontal cases" by Dr Ruby WONG (Periodontology), "What to do when you don't know what to do" by Dr Angeline LEE (Endodontics), "Failure & management of oral surgical procedures" by Dr Alfred LAU (Oral Surgery), to managing the "difficult" patient with "An introduction to personality disorder" by Dr Bruce CHAN (Specialist in Psychiatry).

Treating complications is challenging enough. It is equally important to avoid such occurrences with appropriate assessment and correct diagnosis like "Dental age assessment: Challenges for a dentist" by Dr Gloria WONG (Paedodontics), "Limits & limitations in orthodontics" by Dr Charlene WU (Orthodontics).

2017 marks twenty years of collaboration between the College of Dental Surgeons of Hong Kong and the Royal College of Surgeons of Edinburgh in setting standards for dental specialist training in Hong Kong. Our College would like to commemorate this historic friendship at the CDSHK Winter Scientific Meeting at the Academy of Hong Kong. We are privileged to have distinguished Fellows from both Colleges to be our speakers: Prof William SAUNDERS on Endodontics, Prof Mark THOMASON on Prosthodontics, Prof L JIN on Periodontology and Dr John LING on Orthodontics.

I am indebted to my fellow colleagues in this committee. Without their ideas, support or passion, each scientific meeting would never have been such successful. I am grateful to our Fellows and Members of this College. With their persistent patience and continual support, we shall endeavor to put forth more enriching scientific meetings for the betterment of our patients.

The IT Committee continues its effort to provide an efficient, secure and reliable information services to the College. The committee has given advice to maintain of the internet service of the collage that are as follows:

1. Our domain name “CDSHK.org” has been renewed for 4 years.
2. The broadband service was revised. Thanks to the Smart.web Ltd, our IT agent that they has negotiated with HKT for a better price.
3. The service for the website maintenance was renewed with the previous supplier Uptown Technologies Ltd.
4. As examinations gradually go digital, the College Council has resolved to purchase equipment to serve the need. Three notebooks with flip rotation and touchscreen will be procured.
5. Apps for registration in smartphone has been used for the meeting of the Academy of Medicine, IT Committee would explore its usage in the meeting of CDSHK.

I would like to express my utmost gratitude to the members of the IT Committee and all the staff of the Secretariat Office for their valuable advice and support.

2018 MGD/MRACDS Part II and MGD Part II Examination – (Re-sit candidates)

CGD is planning to conduct the Conjoint/MGD Part II examination in 2018, there is about 5-6 potential candidates would be sitting for the examination. Date of the examination was yet to be confirmed.

It has been a great pleasure for me to be given the chance of serving the CGD Committee and I would like to take this opportunity to express my sincere gratitude to thank our Examination Team, CGD Members, Education & Examinations Committee (E&EC) and the Council members who have assisted me throughout these years and the past and present for their valuable advice and support. Also many thanks to the unfailing support from our past and present Presidents, Dr Bill S W YAN, Dr John Y K LING, Dr Joseph C Y CHAN, Dr Roch K H LEE, Prof Edward C M LO, Dr S K CHAN and Dr Robert P Y NG for their zealous assistance and support to the CGD Committee. My thanks also go to the Mentees for their enthusiasm and active participation in the Programme.

Finally, I would like to express my utmost gratitude to all staff of the Secretariat for their excellent administrative secretarial support and advice.

We look forward to another fruitful year in 2018.

The College of Dental Surgeons of Hong Kong Scholarship was set up to encourage and support our new Fellows (those who are admitted within the previous 5 years) and higher Trainees to participate in overseas training for their continuous professional development. The training programmes may include attachments, workshops and short-term training courses.

The tenure of the award is for duration of 2 to 8 weeks and the maximum amount of each award is HK\$50,000. Up to two awards would be granted to the suitable applicants every year. Awardees are required to write a reflection on their training which will be published in the College Newsletter. They will also represent our College to participate in some other promotional activities upon the invitation by the College Council.

Three applications were received this year and the Scholarships were awarded to Dr Yee Hung LAW (Fellow in Oral & Maxillofacial Surgery) and Dr Annie Kong Yuk WAN (Fellow in Prosthodontics).

The Committee would like to thank our Senior Executive Officer, Ms Rose CHOW, for her assistance to implementation of the Scholarship scheme.

House Committee

Chairman : Dr Katherine Chiu Man LEUNG
Ex-officio Member : Dr Shiu Yin CHO
Members : Dr Chun Kei LEE
Dr Raymond Yun Lok MAK

The House Committee was established under the auspices of the Council of the College of Dental Surgeons of Hong Kong for the management of the College Secretariat and other house matters.

To further improve the working environment for our Staff, additional lighting was installed over some working stations of the College Chamber. Some old furniture was replaced.

Guidelines on Salary Increment were reviewed and revised. The increment scale was further improved to match with job titles and performance of staff.

In order to avoid over-accumulation of annual leave and overtime work hours of staff, the policies and arrangement of annual leave and overtime work were revised in 2016 and it is now in full implementation.

The Secretariat consists of four members, namely Executive Officers Ms Lilian CHEUNG (CME/CPD matters), Ms Julia LAU (MGD matters) and Ms Cecilia LAW (General enquiries and Accounts), led by our Senior Executive Officer Ms Rose CHOW (Training, Membership and General Affairs). The Committee would like to thank them for their hard work in keeping the operation of the College smooth and efficient.

Publication Committee

Chairman : Dr Chun Kei LEE
Members : Dr Shiu Yin CHO
Dr Katherine Chiu Man LEUNG
Dr Ka Chun YEUNG

The Publication Committee was established in 2011. The main task is to publish an Annual Report at the Annual General Meeting and a biannual College Newsletter in Spring and Autumn.

The Newsletter is one of the communication channels between the College and the Fellows/Members; it serves an important function to inform our Fellows/Members of the activities and latest development of the College. In each issue, there is a President's Message and an announcement of the coming Scientific Meeting. Besides presenting a list of the new Fellows and Members, there will be some important news, messages and information to all the Fellows and Members. To be environment friendly, the Newsletter is sent to Fellows/Members through electronic mail and it is also posted in the College website www.cdshk.org. If Fellows or Members have updated the e-mail address, please contact the College Secretariat.

The Annual Report provides a summary of the financial status, a report of the activities of different Committees and Specialty Boards, and a full list of the Fellows/Members.

I would like to take this opportunity to thank the Committee members (Dr Shiu Yin CHO, Dr Katherine C M LEUNG and Dr Ka Chun YEUNG) for their hard work and Ms Rose CHOW, Senior Executive Officer, for her great contribution in the co-ordinating and preparatory work.

Treasurer's Report

The College recorded a deficit of HK\$390,007 for the financial year ended 31st March 2017. The accumulated fund of the College has reached HK\$6,013,840.

The incomes of the College were mainly derived from membership and subscription fees, as well as examination fees. Deficit on MGD Programme, staff salaries and allowances, depreciation, repairs and maintenance and management fee were our major expenses. For the year 2016-2017, we approved two applications for the College Scholarship.

The Council's new initiative to encourage education and training activities within specialties, including the Committee of General Dentistry, was well received. Two specialties have successfully organized activities for their trainees, fellows, members and trainers.

The Council has resolved to maintain a conservative approach to our investment. The College has no intention to invest in local properties, shares or foreign exchange up to the present.

On behalf of the College, I would like to express our sincere gratitude to our Auditors, Dr Eric Li Ka Cheung of Messrs. Li, Tang, Chen & Co., and S. F. Kwok & Co. for their professional advice and dedicated service in the past year. Both auditors have kindly accepted our reappointment for the coming year. In addition, I would like to thank Ms Cecilia LAW, our Executive Officer, for her service in accounts handling. Last but not least, I wish to thank Ms Rose CHOW, our Senior Executive Officer, and the Secretariat for their excellent and industrious support in helping the College keep a healthy position in its finance.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE COLLEGE OF DENTAL SURGEONS OF HONG KONG**
(incorporated in Hong Kong with limited liability by guarantee)

OPINION

We have audited the financial statements of The College of Dental Surgeons of Hong Kong ("the college") set out on pages 6 to 18, which comprise the statement of financial position as at 31st March, 2017, and the statement of comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the college as at 31st March, 2017 and of its financial performance and its cash flows for the year ended 31st March, 2017 in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

BASIS FOR OPINION

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAAs") issued by the HKICPA. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the college in accordance with the HKICPA's *Code of Ethics for Professional Accountants* ("the Code"), and we have fulfilled other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

OTHER INFORMATION

The councillors are responsible for the other information. The other information comprises the information included in the council's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

to be cont'd/.....

**RESPONSIBILITIES OF COUNCILLORS' AND THOSE CHARGED WITH GOVERNANCE
FOR THE FINANCIAL STATEMENTS**

The councillors of the college are responsible for the preparation of financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the councillors of the college determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the councillors of the college are responsible for assessing the college's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the councillors of the college either intend to liquidate the college or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the college's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the college's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the councillors of the college.

to be cont'd/.....

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

- Conclude on the appropriateness of the councillors of the college's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the college's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the college to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG
NOTES ON THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The College of Dental Surgeons of Hong Kong ("the college") was incorporated in Hong Kong on 23rd February, 1993 as a company limited by guarantee. Every member of the college undertakes to contribute, if required, an amount not exceeding HK\$100 to the assets of the college in the event of its being wound up.

The address of the registered office of the college is Room 902, HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The college is engaged in promoting for the public benefit the advancement of knowledge in the field of dental surgery and its associated subjects and promoting training and research in dental surgery.

The financial statements are presented in Hong Kong dollars which is the same as the functional currency of the college.

2. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs")

The Hong Kong Institute of Certified Public Accountants ("HKICPA") has issued a number of new HKFRSs and amendments to HKFRSs that are first effective for the current accounting period of the college. The councillors of the college consider that those new HKFRSs and amendments to HKFRSs have no material impact on the financial statements for the current and prior years.

The college has not applied any new standard or amendment that is not yet effective for the current accounting period (see note 13).

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a) Basis of preparation:

The financial statements have been prepared in accordance with HKFRSs (which also include Hong Kong Accounting Standards ("HKASs") and Interpretations) issued by the HKICPA, accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance. The financial statements have been prepared under the historical cost convention.

The preparation of financial statements in conformity with HKFRSs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

a) Basis of preparation: (cont'd)

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

b) Property, plant and equipment:

Property, plant and equipment, other than construction in progress are stated at cost less accumulated depreciation and accumulated impairment losses. The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the property, plant and equipment, the expenditure is capitalised as an additional cost of that asset.

Depreciation on property, plant and equipment is calculated by the straight-line method to allocate cost to their residual value over their estimated useful lives as follows:

College gowns	20% per annum
Leasehold improvement	20% per annum
Furniture and fixtures	20% per annum
Office equipment	20% per annum

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. The gain or loss arising on derecognition of the asset (calculated as the difference between the net sale proceeds and the carrying amount of the asset) is included in the statement of comprehensive income in the year in which the item is derecognized).

c) Inventories:

Inventories are stated at the lower of cost and net realizable value. Cost is calculated by using the weighted average method. Net realizable value is determined by management based on prevailing market conditions.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

d) Impairment:

At the end of each reporting period, the college reviews internal and external sources of information to determine whether the carrying amounts of its tangible assets have suffered an impairment loss or impairment loss previously recognised no longer exists or may be reduced. If any such indication exists, the recoverable amount of the asset is estimated, based on the higher on its net selling price and value in use.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. Impairment losses are recognised as an expenditure immediately.

A reversal of impairment losses is limited to the carrying amount of the asset that would have been determined had no impairment loss been recognised in prior years. Reversal of impairment losses is recognised as income immediately.

Impairment loss on financial assets which is carried at amortised cost is measured as the difference between the asset's carrying amount the present value of estimated future cash flows discounted at the financial asset's original effective interest rate.

e) Revenue recognition:

Income from subscription and entrance fees is recognised on an accruals basis.

Income from meeting, course and examination is recognised upon completion of services provided.

Interest income is recognised as it accrues using effective interest method.

f) Related parties:

a) A person, or a close member of that person's family, is related to the college if that person:

- i) has control or joint control over the college;
- ii) has significant influence over the college; or
- iii) is a member of the key management personnel of the college or the college's parent.

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

- f) Related parties: (cont'd)
- b) An entity is related to the college if any of the following conditions applies:
- i) The entity and the college are members of the same group.
 - ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
 - iii) Both entities are joint ventures of the same third party.
 - iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - v) The entity is a post-employment benefit plan for the benefit of employees of either the college or an entity related to the college.
 - vi) The entity is controlled or jointly controlled by a person identified in (a).
 - vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
 - viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the group or to the group's parent.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

g) Cash and cash equivalents:

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the college's cash management.

h) Retirement benefit costs:

The college joins a defined contribution retirement scheme under the Mandatory Provident Fund Schemes Ordinance (the "MPF Scheme") for those employees of the college.

The college's contributions to the MPF Scheme are made based on a percentage of the eligible employees' relevant income as defined in the Mandatory Provident Fund Schemes Ordinance. These contributions are expensed as incurred. The assets of the scheme are held separately from those of the college in independently administered funds.

THE COLLEGE OF DENTAL SURGEONS OF HONG KONG

NOTES ON THE FINANCIAL STATEMENTS

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

i) Government grants:

Government grants are recognised in the statement of financial position initially when there is reasonable assurance that they will be received and that the college will comply with the conditions attaching to them. Grants that compensate the college for expenses incurred are recognized as revenue in the statement of comprehensive income on a systematic basis in the same periods in which the expenses are incurred. Grants that compensate the college for the cost of an asset are deducted in arriving at the carrying amount of the asset and consequently are recognized in the statement of comprehensive income over the useful life of the asset.

4. FINANCIAL INSTRUMENTS

4A. CATEGORIES OF FINANCIAL INSTRUMENTS

The carrying amount of financial assets is HK\$5,732,039 (2016: HK\$6,307,515) which is represented by cash and bank balances in the statement of financial position.

The carrying amount of financial liabilities at amortised cost is HK\$8,300 (2016: HK\$385,333) which is represented by the accrued expenses and other payables in the statement of financial position.

4B. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The main risks arising from the college's financial instruments are interest rate risk, credit risk, liquidity risk and foreign exchange risk. The college does not have any written risk management policies and guidelines. However, the board of councillors meets periodically to analyze and formulate measures to manage the college's exposure to these risks. Generally, the college introduces conservative strategies on its risk management. As the college's exposure to these risks is kept to a minimum, the college has not used any derivatives and other instruments for hedging purposes. The councillors review and agree policies for managing each of these risks and they are summarised as follows:

a) Interest rate risk

The college has interest-bearing bank deposits and no interest-bearing liabilities. The councillors consider that the interest rate risk is not significant.

b) Credit risk

The college is exposed to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. The college's maximum exposure to credit risk in the event of the counterparties failure to perform their obligations as at 31st March, 2017 in relation to each class of recognised financial assets equal to the carrying amounts of those assets as stated in the statement of financial position statement of financial position. The college's credit risk are monitored on an ongoing basis.

The credit risk on liquid funds is limited because the counterparties are banks with high reputation.

4. FINANCIAL INSTRUMENTS (CONT'D)

4B. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

c) Liquidity risk

Liquidity risk is the risk that funds will not be available to meet liabilities as they fall due, and it results from amount and maturity mismatches of assets and liabilities.

Prudent liquidity risk management implies maintaining sufficient bank balances.

The following table details the remaining contractual maturities at the end of the reporting period of the college's financial liabilities which are based on contractual undiscounted cash flows and the earliest date the college can be required to pay.

	2017		
	Total		Within
	contractual		1 year or
	undiscounted		on demand
Carrying amount	cash flow		HK\$
HK\$	HK\$		HK\$
8,300	(8,300)		(8,300)

Carrying amount	cash flow		HK\$
HK\$	HK\$		HK\$
385,333	(385,333)		(385,333)
Accrued expenses and other payables			

d) Foreign exchange risk

The college carries out its activities in Hong Kong and most of the transactions are denominated in Hong Kong Dollars. Accordingly, the councillors of the college consider the college's foreign exchange risk to be insignificant.

e) Fair value estimation

The college's financial assets and financial liabilities have their carrying amounts approximately equal to their fair values due to their immediate and short-term maturities.

In the opinion of the councillors, the above-mentioned related party transaction was carried out on normal commercial terms.

12. CAPITAL MANAGEMENT

The college's objectives when managing capital are:

- To safeguard the college's ability to continue as a going concern.
- To support the college's stability and growth; and
- To provide capital for the purpose of strengthening the college's risk management capability.

The college actively and regularly reviews and manages its capital structure to ensure optimal capital structure, taking into consideration the future capital requirements of the college and capital efficiency, projected operating cash flows and projected capital expenditures.

As in prior years, the college monitors capital by reviewing the level of capital that is at the disposal of the college. Capital comprises accumulated funds.

13. POSSIBLE IMPACT OF AMENDMENTS, NEW STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE FOR THE YEAR ENDED 31ST MARCH, 2017

Up to the date of issue of these financial statements, the HKICPA has issued a few amendments and new standards which are not yet effective for the year ended 31st March, 2017 and which have not been adopted in these financial statements.

The college is in the process of making an assessment of what the impact of these amendments and new standards are expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the college's results of operations and financial position.
